GC Building At \$773,433 Last Month; 24 Houses

15 Dwellings Include
Eight in Dream Villa;
Air Products Office

New construction authorized last month in Granite City totaled \$412,792 and increased the July figure to \$773,433, accounted for in 85 permits.

Seventeen new houses were among last week's 33 permits and plans for 24 dwellings were approved during the month by Building Inspector Earl Bloomquist and City Clerk A. L. Stevens.

Contractor Henry Rees received permits for eight dwellings to be built in Dream Villa on Villa drive with a total cost of \$47,850; and two dwellings on Devonhill lane, worth \$21,300, all with six rooms and full bath and brick veneer exteriors.

Ross also will construct a house at 3315 Franklin avenue, costing \$17,800, with six rooms and 1½ bath, and one at 2028 Iowa street, costing \$17,725, with five rooms and bath.

Other dwelling permits went to L. S. M. Builders, \$19,000 for a two-story residence at 2817 Sunset drive in Marshall school subdivision, with six rooms, one and two half baths and brick veneer and asbestos siding; and to James C. Doherty, \$11,000 for a residence on Circle drive with redwood siding and attached carport.

The total cost of new houses authorized in Granite City last month was \$432,375.

The largest commercial permit amounted to \$50,000 and went to Air Products, Inc., for construction of office addition at 2204 Monroe street, with M. H. Wolfe Construction Co. as the contractor.

A second permit of \$8000 went to Air Products for a driveway parking area at 18th street and Madison avenue, with A. H. Seebold Truck Service & Excavating Co. as the contractor.

For installation of utilities at the St. Elizabeth Catholic school classroom addition at Johnson and Pontoon roads, a permit of \$30,232 was issued. It covers electrical wiring, plumbing and heating.

Market Parking Lot For parking space at Kozak's market, 2800 Nantoko road, William Kozak was given a \$15,000 permit. Construction will include curbs, sidewalks, pavement and flood lights.

Other recent commercial permits were issued to Hub Drug Co., 1320 Nineteenth street, \$6000 to remodel the store front; Bethel Church, 21st street and Dewey avenue, \$3000 to raze two buildings and repair and alter the present property; Al Gitchie service station, 21st street and Nineteenth street, \$1000 for a flat metal advertising sign with 30 square feet of display surface; and Steve Rega, \$1000 to install air conditioning in a Lady Minerva candy store at 1341 Twentieth street.

Permits for repairs, additions and alterations amounted to \$16,685 at the close of July and were issued to: Lester Wolfe, \$1000 for general repairs at 2610

HENRY D. KARANDJEFF, who tonight will celebrate his 50th year with the Granite City Staff Savings Bank at an anniversary dinner.

Dinner Honoring H. D. Karandjeff Set For Tonight

Henry D. Karandjeff, chairman of the board of the Granite City Staff Savings Bank and the American National Bank, Ernest A. Karandjeff, president of the bank and son of the honoree, will speak at the dinner to be held at the Missouri Athletic club in St. Louis. Bank employees will present a gift to Karandjeff, who on Aug. 3, 1911, joined the bank as a bookkeeper.

A civic figure for over 30 years, Karandjeff was elected president of the bank in 1937 and chairman of the board in 1959. He has also held top positions with local and state-wide banking organizations.

A past president of the Illinois Bankers Association, he has been president of Group Nine of the association and an American Bankers Association council and committee member. He has headed the IBA education and public relations committee and the committee on bank management. He is a past officer and director of the Madison, Bond County Bankers Federation.

In addition to banking organizations, he has been active in state and community affairs. He has been commended by the Army for his efforts in maintaining harmonious relations between the Granite City Engineer Depot and the community. He

Male Assailant Carves Arm Of Mitchell Girl

A male assailant used a sharp object to carve the words "Just joking" in 1½-inch letters on the left arm of a teenage Mitchell girl near her home Tuesday evening after knocking her unconscious with a blow to the stomach.

Angela Lynn, 14, daughter of Mr. and Mrs. Don Lynn of 613 Chestnut avenue, was found bleeding and unconscious on the grass by her father, county authorities reported.

She had set out from home for a girl friend's house nearby about 6 p. m. and was found about 20 feet from the rear of her home about 15 minutes later. She was returning home at the time of the incident.

It was reported that the attacker also scratched what appeared to be the initials "ED" above the left elbow. No knife or other weapon was found, police said.

Mrs. Lynn told the Press-Record yesterday that her daughter was "unable to remember" what had happened and that she could not identify or describe the man who mutilated her.

A physician examined the girl and her mother said she did not require hospital care and that she was in "good condition." County authorities said they were unable to question the girl when she was found because she was in a state of shock. Further investigation is being made.

Local Hunter Injured As Shotgun Discharges

William H. Champion, 42, of 1000 Reynolds street, Madison, lost part of the index finger of the left hand as a result of a hunting accident Tuesday morning near Effingham, Ill. He was admitted to an Effingham hospital, where amputation took place.

A foreman in the open hearth department of Granite City Steel Co., Champion told relatives he apparently fainted and his 16-gauge shotgun discharged in falling, of the ground, striking him in the hand.

Awakened by the pain, he called to his hunting companion Ed Tankley, 2421 Bryan avenue, who was out of sight in the wooded area. Tankley hurried to him and drove him to the hospital.

The two had been hunting squirrels in an area where Champion has hunted frequently.

Solons Say No To Fringe Benefits

Work Agreement Talks
Still Going On Between
GC Committee, Unions

Granite City's Personnel committee is lightening the city's belt and hopes the council will follow its lead Monday night when agreements for city employees might be submitted for approval.

The committee, which has been in two sessions this week and plans another for Saturday, is rejecting the unions' requests for fringe benefits that require expenditures of funds.

Work agreement negotiations were held Monday night with representatives of the Laborer's Union, Teamsters and last night with the police and firemen unions. Saturday's meeting will be with the office workers and custodians.

Committee members point out that the unions a week ago agreed they would drop fringe benefit demands if \$25 monthly pay increases were granted.

The committee had planned a week ago to offer only \$18 monthly increases to city employees, but on the spur of the moment during the July 21 budget meeting, Alderman Walter Norn held a back-of-the-room conference with union officers and his motion for \$25 monthly pay increases was approved 8-7.

Extra Pay Requests The \$25 monthly pay increase will cost the city an additional \$42,000 to \$43,000 a year, and it was estimated that fringe benefits, including a proposed new rating for Granite City policemen along with a request for longevity pay, extra holidays, night work premium pay and changes in overtime rates would have cost an additional \$15,000 to \$20,000.

The committee is hopeful the council will follow its suggestions for one-year agreements with only minimum changes in fringe benefits.

The major item of dispute at present is the salary of the city humane officer who now receives \$435 a month. The Teamsters Union is seeking to boost his pay to the same amount as sanitation department employees, which would call for a \$75 monthly pay increase instead of \$25.

Granite City police said the parked auto, owned by Larry Dean Ratliff of Cape Girardeau, Mo., began to roll when a four-year-old boy accidentally released the emergency brake. No injuries were reported.

Girl's Leg Broken By Auto Today; 4 Other Injuries

Three-year-old girl, Barbara Morgan, 1712 Cleveland bl., was struck and severely injured by an auto in front of her home at 11:43 a.m. today. She is in good condition.

Information gathered by police in 36 accidents since Monday afternoon.

Taken to St. Elizabeth Hospital by the mortuary, Jesse L. Maxville, 52, of 1733 Edison avenue, she is being treated for fracture of the left leg and multiple bruises. X-rays are being taken to determine whether there are other injuries.

Information gathered by police from the driver and the girl's father, who was nearby, indicates that the girl had stooped down to pick up a dog in front of a car parked at the curb.

Obtaining of the dog, she started across the street toward her father. Maxville applied the brakes to halt his northbound car, which skidded 18 feet before striking the child.

Hit-Run Accident A 20-year-old Wood River motorcyclist suffered cuts to his right side and back requiring 60 stitches, after colliding with an unidentified car on Highway 162 Tuesday about 10 p.m. The car did not stop.

Douglas Taylor, 404 George street, Wood River, told county police he was driving west on the highway, about one mile from the junction with Highway 111, when an auto going east made a left turn in front of him and a side road car hit the left elbow.

Taylor is in good condition at St. Elizabeth Hospital. He also received bruises to the left elbow.

GC Police Forecast
80 Accidents

A prediction of 80 traffic accidents here during August was released by Granite City police today.

The figure was reached by the department's formula of comparing statistics from past years and allowing for new developments, much like the modern weatherman.

During July police missed their mark by 12 accidents when they predicted 80 crashes and only 67 occurred. Usually the advance estimate has hit within two or three of the actual number.

Plan Commission Created; SIU Bonds Approved

(Special from Springfield)

Creation of a 17-member planning commission in Madison and St. Clair counties was approved late Monday by Gov. Kerrigan. It will be known as the Southwest Illinois Area Study Commission.

The measure signed into law after being passed by the 72nd General Assembly this year was introduced by State Rep. Paul Simon (D) of Troy, with other House legislators of the two counties as co-sponsors.

In introducing the legislation in late May, Rep. Simon said the new agency was intended to study needs and make plans regarding local communities and counties in such fields as water supply, sewers, highways, education and zoning. It will work in conjunction with the state legislature, two county governments and governmental units within the bi-county area.

Commission Membership The commission will include the county's six representatives and two state senators; four members to be appointed by the county boards.

TV Inspection Of Sewer Line Now Under Way

Closed circuit television inspection of a 15-inch sanitary sewer line under Terrace lane was started yesterday morning in an effort to determine the cause of three breaks which have occurred in recent weeks.

City Resident Engineer Al Pearson said 200 feet of the 1500-foot distance was inspected by TV camera yesterday and the line for that distance south of Garfield avenue was found to be in good condition.

"We don't know what we'll find tomorrow, but we hope to be able to pinpoint the difficulty so it won't be necessary to go to the expense of digging up the 1500 feet of line," the TV inspector said.

School, Commercial, Industrial Construction Projects Halted Here

With no new negotiations in sight, work was still stalled today on millions of dollars worth of major construction projects in the area because of a strike by Laborers Union locals against Southern Illinois Builders Association. The strike began Tuesday morning.

Emmett L. Courtney, president of Laborers Local 397 here, said the union has pickets on all area SIBA jobs, and that other building crafts workers here are honoring the picket lines.

Among the major Quad-Cities area projects on which work has halted are Granite City Steel additions; aluminum furnace construction at Dow Chemical plant in Madison; Madison avenue widening, Madison; Plaza Shopping Center, Nantoko road; 20th street widening at the corner of Spruce; improvements at 12th street and Granite avenue; and construction of a new Schlitz warehouse and office in Madison.

Other jobs stopped by the strike include some projects at the Granite City Engineer Depot; work on the Madison County Housing Authority office, Madison; construction of the Concorde Lutheran church educational building on Grand avenue; sewer and paving work in the Glenview area; Danvers school annex improvements in Madison; and construction of classroom addition at Wilson and Maryville grade schools.

Other Projects In addition, a number of smaller projects including residential construction have been halted, but work is continuing in many areas where the contractors are not members of the SIBA.

Workers in Local 397 and East St. Louis Local 100 left their jobs when negotiators failed to agree on a new contract by Monday. The old pact expired Monday at midnight. Local 397 has 550 members, and a spokesman said earlier that "several hundred" of these had been working on SIBA jobs.

Other jobs apparently are the major issue preventing settlement of the dispute. The union has asked for a 10 percent increase for each year of a two-year contract period. SIBA has offered a 7½ cent boost for the first year and a 10-cent increase the second year. The old contract was \$3.45 an hour.

Strike Spread The strike, which started Tuesday in Granite City and East St. Louis, spread yesterday to other area construction jobs in localities in Alton and Alton, Ill., and to the move, SIBA contracts with locals in Belleville, O'Fallon and Macomb also ran out Monday, and these workers are expected to join the strike soon.

Highway workers, represented by the Southwestern Illinois Laborers District Council, were reportedly leaving their jobs today after attempts at reaching new agreements failed yesterday. The council contracts with the 12-county District Council also expired Monday, but workers had stayed on their jobs in hopes yesterday's meetings would produce contract agreements.

A. O. Smith Plant To Reopen Monday

Reopening of the A. O. Smith Corp. to produce frames for 1962 Chevrolet automobiles is scheduled for next Monday, August 7, after a three-week shutdown which started July 17 for vacations and model changes in production lines.

A spokesman for the company said full production is to be resumed Monday with callbacks issued for all 1225 employees.

Undergo Surgery The following are recovering at St. Elizabeth Hospital from surgery which they underwent last week: Goldie Fischer, 2725 Madison avenue; Russell Smock, 2142 Johnson road; Fern Wright, 3212 Ridger avenue.

"Fashioned Side Walk Sale" Friday & Saturday

GC Demo Committeemen Split—21-5 Factions

A 21-to-5 split in the Granite City Democratic precinct committeemen organization has developed with City Chairman Robert T. Gibson in the minority group, it was learned this week. In a recent meeting the majority group, whose members have not yet chosen a leader, selected four committeemen for the new precincts created July 13 for Granite City by the county board of supervisors.

Gibson, who was not present at the meeting, told the Press-Record he plans to call a meeting of the committeemen in the near future, possibly within a week, in an effort to clear the matter. "We have not yet received the official notice from County Clerk Miss Della Hotz and nothing can be done officially until that is received," he added.

Committeemen selected by the majority group for the four new precincts are—Mike Majeski for Precinct 29 in West Granite; Conrad Champlin for Precinct 30, which includes the Briarcliff and Melrose areas; Tom SanSouci for Precinct 31, which lies east of Maryville road, and Lavern Brewer for Precinct 32, which was created from Precinct 20 with boundaries on St. Clair avenue, Johnson road, Namokil road and Wayne avenue.

With the new precincts, Granite City will have 32 township precincts as compared to 25 city precincts.

Appointment of new precinct committeemen must be approved by the county Democratic organization.

Mrs. Louise Stimar, Madison, Dies At 52

Mrs. Louise Stimar, 52, of 1308 Grand avenue, Madison, was found on arrival at St. Elizabeth Hospital at 2 p.m. Tuesday after being stricken at her home. She had been in declining health for the past three years with diabetes.

Born in Fancy Farm, Ky., Mrs. Stimar had been a Madison resident for 34 years. Her husband, John "Buck" Stimar, an employee of the Neco Steel Barrel Co., survives.

Other survivors include two daughters, Mrs. Lawrence (Betty) Puett, Venice, and Mrs. Paul (Mary Lou) Worthen of Granite City; five sisters, Mrs. Christine Etelen, Mrs. Sue Nebold and Miss Jean Hayden, all of East St. Louis; Mrs. Dorothy Thomas of Phoenix, Ariz., and Mrs. Dolores Muller of St. Peter, Mo.; two brothers, Bill and James Hayden, both of East St. Louis; and six grandchildren. Funeral arrangements are given in the obituary column.

Heart Attack Fatal To Gilbert Dorris, 57

Gilbert Dorris, 57, of 2040 Washington avenue, a lifetime resident of Madison and Granite City, died at St. Elizabeth Hospital at 7 p.m. Tuesday after being stricken with an apparent heart attack after returning home from work. He had been under medical care for a heart condition for two years, but had been working regularly.

Mr. Dorris was born in Madison, where he made his home until moving to Granite City in 1940. He had worked at General Steel Industries, Inc. for 20 years. He was a member of St. Peter Evangelical and Reformed Church.

Surviving are his wife, Mrs. Nelle Dorris; one sister, Mrs. Victor (Maile) Eamhart, Wood River; and an uncle, John Uken of Madison.

Funeral arrangements are given elsewhere in this issue.

Slate Undergoing Pre-flight Training

Dennis V. Slate, chief aviation ordnanceman, USN, son of Mr. and Mrs. Irvin C. Slate of 2604 Benton street, is undergoing pre-flight training and officer indoctrination at the Naval Pre-Flight School, Naval Air Station, Pensacola, Fla.

Upon completion of the 16-week course, students are commissioned ensigns in the Naval Reserve.

Commissioners To Meet

A meeting of neighborhood commissioners of the Univah Boy Scout district has been called for 7 o'clock tonight at the First Presbyterian Church, Granite City. "Salesmanship" will be discussed, and District Commissioner Bernard Miller Jr. will preside.

THE "GOOD OLD DAYS" 1900 VS. TODAY'S PRESCRIPTION PRICE

In the old days, when you were hit with a serious illness, you might spend only a dollar for a prescription... but you were likely in bed for three costly weeks, had six visits from the doctor, lost a month's wages, took a whole assortment of other medicines, too. Was that cheap? Today, thanks to new drug discoveries, you need perhaps one visit from the doctor, fewer's down in hours, you're out of bed in a couple of days, back on the job in a week. Today's prescription costs you more, yes... and isn't it a bargain!

PRESCRIPTIONS ARE THE MOST IMPORTANT PART OF OUR BUSINESS

GEORGE MAUZE, new local manager of Southwestern Bell Telephone Co., replacing Roy A. Pelster, who will become manager of the company's north district in St. Louis.

Telephone Co. Names New Local Manager

George Mauze has been named Quad-Cities manager of Southwestern Bell Telephone Co., succeeding Roy A. Pelster, who will transfer to St. Louis as unit manager in the north district.

The change is effective immediately, District Manager William L. King said. Mauze will be in charge of the company's commercial department here.

Mauze joined Southwestern Bell in 1959 at St. Louis in the company's special training program for new management personnel. He was on the staff of the commercial department in St. Louis before being promoted to manager here.

He is a graduate of Country Day high school in St. Louis county and was graduated from Westminster College, Fulton, Mo., with a degree in business administration in 1959. He was on active duty as a second lieutenant with the army in 1959 after graduation.

Mauze is married and has resided in Brentwood, Mo. He plans to move to Granite City.

Pelster has been manager in the Quad-Cities since April 1960. He joined the telephone company in St. Louis in 1957, first attending the training program for new management employees and then working as business office supervisor before coming here as manager.

He is a graduate of Ritenour high school, Overland, Mo., and received a bachelor of science degree in business administration from Washington University in St. Louis in 1957.

Pelster has served as a board member of the local United Fund, member of the Granite City Rotary club, as a Junior Achievement advisor and member of the Tri-Cities Chamber of Commerce.

Ten from Here Attend State Legion Meet

Ten local Legionnaires returned this week from the American Legion, Department of Illinois, convention which ended Sunday in Chicago.

Attending the 42nd annual convention from Granite City Post 113 were 22nd District Commander A. Burt Harris, Harold Summers and incoming Commander Joseph Gottfried, representing Venice - Madison Post 307 were Commander Bobby J. Orasco, incoming Commander Louis Saucier, John Gortnerman, John Betag and Len Whiteside.

From Madison Post 799 were Commander John Lee and William Shaw. Approximately 5000 legionnaires took part in the four-day conference.

New state officers elected at the convention are Karl Yost, Morrison, department commander, and Eric Smith, Broadview, vice-commander. The convention also adopted resolutions the Legion will support during the year. Among them are to support a Congressional bill granting a 30% increase in pension allotments to veterans, to oppose United Nations and United States recognition of Communist China and to endorse the Peace Corps.

The convention also voted to endorse reinstatement of the veterans' insurance program of world war II and the Korean war, to oppose any aid to Cuba, including funds to ransom prisoners of the spring invasion, to oppose abolition of the House Un-American Activities committee and to oppose dropping of compulsory ROTC training at the University of Illinois and other land grant colleges.

Levee Board Reorganization Continues—Meeting Tonight

In a Monday night continuation of a meeting begun last morning, the East Side Levee & Sanitary District board of trustees re-appointed personnel not removed in the earlier session, accepted the free services of a sanitary engineer and laid the ground work for issuance of tax anticipation warrants to pay employees.

The meeting, which got under way at 7:30 p. m., was not attended by members Dan Costello and George Duff. At about 8:30 the board adjourned until 7:30 this evening to allow the finance committee time to prepare a payroll for further consideration before tax anticipation warrants are drawn. By-laws of the district call for approval of such warrants only at regular meetings.

Lawrence T. Tolar, who took over the board presidency Monday morning after a ruling by East St. Louis City Judge John M. Kams sr. last week, said an estimated \$184,000 is needed immediately to meet the payroll and other expenses. He said tax anticipation warrants totaling \$200,000 would be prepared.

Tolar said before actual purchase of the warrants by banks an opinion on their soundness by an independent law firm is required. Such a study was made by a St. Louis firm, he said, clearing the way for sale to banks in Granite City, East St. Louis and National Stock Yards after the warrants are issued at the regular meeting next Wednesday.

Men Re-Appointed
Making what he called "presidential appointments," Tolar reappointed Frank Schuttenhofer, supervisor; Joseph Wylie, pumping station supervisor; Henry Bozik, maintenance supervisor; James Hanson, supervisor of fuel and oil; and Fred Pearson, field engineer. All accepted.

Tolar told each of the appointees what is expected of him and his department. "There will be no favorites," he said. "We cannot afford to have men on the payroll who are not working eight hours a day. If a man is

not doing his job, fire him. I don't care who he is."

Mevin A. Dobbs, sanitary engineer for the East Side Health District, told the board he will serve as an unpaid advisor on sanitary regulations until it is clear what part they will be able to play in anti-pollution measures. He said the state has stopped sewer work in some parts of the Levee District for lack of proper sanitation measures. The board accepted his services. Tolar offering his personal appreciation for the action.

Bozik told the board a complete survey of motor vehicle and equipment needs should be made. He said some equipment is obsolete and worn out, while other equipment—including a bulldozer and a crane—is not used enough to pay for itself. Tolar indicated such a study will be made.

Need Compressor
Wylie said a new compressor is badly needed at the south pumping station now, and that the department needs more pumps. The requests were referred to the finance and the personnel committees.

In other action, the board authorized Chief Clerk Ben Day to get assessed valuation of the property within the district from Madison and St. Clair counties as soon as it is available, so that a more thorough study of future tax income can be made.

Day presented a bill for \$38 from the Fian-Maers insurance company on one of the district's pick-up trucks. The bill was referred to the finance committee.

Tolar thanked all those present for the cooperation he had received. "You have made my job easier," he said, "and I want to thank every one of you. We want it understood that the public is welcome to any and all of these meetings. We're spending the taxpayers' money, and they have a right to know what is going on."

Tonight's meeting, still a continuation of the special meeting started Monday morning, will be in the levee district office, 2642 McClelland avenue, East St. Louis.

Granite City PRESS-RECORD Page 4 Thurs., Aug. 3, 1961

MORE ABOUT

Dinner Honoring

(Continued From Page 1)

has also been awarded the top honors possible by the Boy Scout council and the Masons.

Emigrating from Smardesh, Macedonia, in 1906 at the age of 13, he attended night school and worked part-time until 1918 when he joined the Trust and Savings Bank.

He continued his education at St. Louis University and the Rutgers University Graduate School of Banking. He is a graduate of the American Institute of Banking.

Since 1955, when he was appointed by former Gov. William Stratten, he has served as chairman of the Horseshoe Lake commission. The commission worked two years preparing a plan to renovate the lake and make it the largest state park in Illinois. Since 1957 he and the commission have worked for passage of a bill to begin the development. He has been working for a park in the lake area since the 1930's.

He was elected president of the Granite City YMCA board last fall, is treasurer of the Madison County Health Association, board member and treasurer of the Tri-City Regional Port district and former treasurer of the Granite City park district and the local Red Cross chapter.

He is past president of the Tri-Cities Chamber of Commerce, Community Chest, Red Cross and Noonday Optimist club. Former chairman of the Coordinated Youth Services agency, he was one of the original supporters of the program for youth counseling.

Karandjoff has been active in promoting the sale of government savings bonds since 1941 when he led first financing efforts as chairman of the Treasury Department's Madison County War Finance Committee. In 1956 he directed a bond drive in 23 Southern Illinois counties. He is still volunteer chairman of the savings bond committee.

A member of all Masonic orders, he is a member and former trustee of the First Presbyterian Church. President of the Sunset Hill Trust Estate, he has also been a director, vice-president of Chokio Mound Council of Boy Scouts and holds its highest award, the Silver Beaver.

In other church work he has served as chairman of the Altar Restoration Fund.

Cayuga street; Vincent Debeve, \$2000 for a one-room addition at 2660 Adams street.

Alterations and Repairs

A. T. Smith, \$1000 to remodel six rooms at 2154 Washington avenue; Leland Chandler, \$300 to erect a storage shed at 2904 Dogwood drive; Thomas Rich, \$100 to install aluminum siding at 1361 Edwardsville road; Genevieve Kinney, \$100 for repairs at 2121 Lee avenue; Phyllis Smith, \$1000 to remodel a home at 2115 Dewey avenue.

Andrew Pynkzko, \$1200 for a back porch at 2665 East 28th street; A. R. Hinson, \$550 to install siding at 2707 East 24th street; Mark Piccotti, \$4000 for a one-room addition at 2625 Elm avenue; Elizabeth Rhodes, \$1200 for insulated siding and roofing at 2128 Dewey avenue; and Joseph Milklik, \$1200 to raise a garage and add a porch at 2907 Iowa street.

Five permits for garages and carports totaled \$3480 and went to: Gene Kubuth, \$450 for a garage at 2729 Saratoga; Gene Lester Wheaton, \$1000 for a two-car garage at 19 Briarcliff; Clifton Smith, \$1050 for a carport at 2822 Edgewood avenue; Reginald Minnerick, \$450 for a carport at 2325 Clark avenue; and Charles Jerk, \$500 to rebuild a carport at 2117 Clark avenue.

Arthur W. Nichols, 63, Dies After Heart Attack

Arthur W. Nichols, 63, of 2927 Circle drive died yesterday in a Lafayette, Ind., hospital, where he had been a patient since suffering a heart attack while attending a Methodist Men's Conference at Purdue University July 15.

A 15-year employee of the National Lead Co., Mr. Nichols was born in Chicago but moved to Granite City 25 years ago. He was a member of the Niddering Haus Memorial Methodist Church and a past patron of Granite Chapter 630, Order of Eastern Star.

Survivors include his wife, Vera; two sons, Arthur; Grant (Arlene) Smith, Granite City; and Mrs. Marilyn Stengel, Madison; three brothers, Harold of California, and Roy and Wesley of Iowa; one sister, Mrs. Hazel Laidly, Rolfe, Ia.; and nine grandchildren.

He has been returned to Granite City Funeral Home where arrangements are pending.

Eagles Name Treasurer
Eagles Lodge 1126 Wednesday night selected Carl Blehler, 2800 Madison avenue, as temporary treasurer of the organization, filling the unexpired term of Henry Hecht, who passed away suddenly Sunday.

Truman Bardsley, 80, Ill 16 Years, Dies

Truman Spencer Bardsley sr., 80, of 1639 Second street, Madison, died at Barnes Hospital, St. Louis, Wednesday at 10:45 p.m. He had been ill 16 years and at the hospital 45 minutes.

Born near Edwardsville, Mr. Bardsley lived in Collinsville before moving to Madison 17 years ago. Before retiring, he worked as a custodian for Madison Schools and was a construction laborer.

He is survived by his wife, Mrs. Edna Bardsley; two daughters, Mrs. Andrew (Martha) Linder and Mrs. Alice Wright; and a son, Mr. William (Gladys) Markovitch of Madison; two sons, William of East St. Louis and Truman S. Bardsley Jr. of Collinsville; a brother, Edmund, of Collinsville; 15 grandchildren and 22 great-grandchildren.

Funeral arrangements are given in today's obituary column.

Elizabeth Shannahan, 56, Succumbs in St. Louis
Miss Elizabeth Shannahan, 56, of 2717 Ralph street died at 12:30 a.m. yesterday in a St. Louis hospital, where she had been a patient for 20 years. Death was attributed to a heart attack.

Miss Shannahan is survived by sister, Mrs. John (Joan) Stanton, and a brother, Edward Shannahan, both of Granite City. Funeral arrangements are given elsewhere in this issue.

State Capitol

Scholarships available to students of public, private and parochial schools who wish to enter the teaching field will be increased by a bill signed last week by Gov. Otto Kerners. The new law provides for from four to six such scholarships in each high school in the state. The bill also provides for scholarships to teachers who will take special education courses to teach exceptional children.

Other bills signed by the governor include those to broaden the use tax base to include persons who solicit purchases by catalogues and other advertising; to require hotel and lodging house operators to file with the Board of Election Commissioners, a report of the names and descriptions of all lodgers and guests claiming voting residence there; to authorize the Board of Election Commissioners to appoint one or more registration teams to register disabled persons; and to appropriate \$1,250,000 to the Illinois Veterans' Commission for payment of claims under the Korean Veterans' Compensation Act.

State entomologists last week warned property owners in Illinois to be alert to signs of damage by minnow weevils, an insect that attacks minnows and honey locust trees. The weevil leaves the leaves of the trees together with silken thread, forming a small web or "nest" in which they feed, skeletonizing the leaves. They winter in the pupal stage in debris on the ground.

Damage is now beginning to show as brown, dry foliage. Spray materials, such as lead arsenate, malathion, toxaphene or Sevin should be mixed and applied according to manufacturers' directions.

The state health department issues a warning against capturing or purchasing skunks for pets. Since June's positive rabies reports have been issued on 14 skunks, 37 have been diagnosed as rabid since Jan. 1. During the first six months 424 rabies treatments were distributed to persons known to have been exposed or bitten by rabid animals.

"Unemployment probably is the most human of economic needs and perhaps the most important domestic problem facing our country."

This statement was made by

Granite City PRESS-RECORD
Page 6 Thurs., Aug. 3, 1961

Gov. Otto Kerners concerning a survey of unemployed persons in Illinois. The governor went on to say that while we are again experiencing a gain in employment, this upturn has been accompanied by an unprecedented condition of high and even rising unemployment.

"To compound the problem," the governor continued, "increasing numbers of our workers are finding, and will continue to find, themselves replaced by the expanding use of automation."

"Our first problem is to find out who are unemployed; what their skills are; plan ways to train or retrain people who exist in enforced idleness through lack of training or skills required by modern industry," the governor said.

The governor said to take the initial steps in coming to grips with this vast problem, the Illinois State Employment Service and the Division of Unemployment Compensation will cooperate in a special 37-member committee on unemployment in a statewide survey of job seekers. The survey began July 31 and continues through Sept. 1 under the direction of Frank H. Cassell, chairman of the Governor's Committee on Unemployment, and Samuel C. Bernstein, acting director of the Illinois Department of Labor.

"We are asking everyone seeking permanent, full-time employment to take a few minutes and come to one of Illinois' 53 State Employment and Unemployment Compensation offices and fill out a short questionnaire," the governor requested.

A bill amending the School Code to raise the standards for issuance of teacher certificates was signed into law last week by Gov. Otto Kerners.

In signing House Bill 1337, Gov. Kerners said: "This bill will significantly raise the standards for the issuance of teacher certificates by raising the requirement for a provisional certificate from 60 semester hours of college credit to 90 semester hours, applicable until June 30, 1964. Provisions of the bill require that after July 1, 1964, all teachers must have earned a bachelor's degree before they can be issued certificates."

The governor remarked that this will elevate Illinois from one of the lowest four states in teacher certificate requirements to one of the top 10 states in such requirements.

Collections from the state's

major tax sources totaled \$61,368,833 in June on May tax liability. The Illinois Department of Revenue has reported.

This was \$2,123,067 more than the \$59,245,766 collected in May 1960.

Cash collected during the first six months of 1961 totaled \$339,121,125, compared to \$341,907,750 for the same period in 1960, a decrease of \$2,786,625.

The 1961 call crop is expected to total 1,141,000 head compared to 1,158,000 head a year ago and 12 per cent below the 1959-60 average, according to the Illinois Cooperative Crop Reporting Service. The report is based on returns from livestock producers who report on the number of calves born to June 1 and the number of cows expected to calve June 1 to Dec. 31. The returns were obtained largely through rural mail carriers.

The 1961 call crop is expected to be 39 per cent below the 1960 average. A call crop this size is one per cent more than both the 1960 call crop and the 1959-60 average and the largest since 1957.

Wheat combining was 95% completed last week, although somewhat by showers. Harvest has been completed for all practical purposes in principal central and southern wheat areas, according to the Illinois Weekly Weather and Crop Bulletin.

Turkey 'Tourist Paradise' Despite Being Near Russia

Turkey is an "all-season tourists' paradise" offering mountain skiing and ocean swimming within three hours' travel time, Madison Rotarians were told yesterday by Oguz Nayanm of Turkey, a graduate student at Southern Illinois University who is a member of the Press-Record news staff this summer.

With 30,000,000 inhabitants in an area of 298,500 square miles, Turkey has simultaneous climates ranging from sub-tropical to sub-arctic. Nayanm, adding that the nation offers both varied goods and souvenirs, handwoven carpets and countless relics of civilizations and cultures dating back 7000 years, for historically-minded travelers.

Known as the "classic meeting place of East and West," Turkey forms a bridge between Europe and Asia, he related. While it is largely in Asia, the country is becoming more and more "westernized" and teaches English, French and German in its high schools and universities, he said.

The speaker, who answered numerous questions from the audience after the talk, said Turkey is 85% Moslem, which is a strong deterrent to Communism, but that press freedom has had to be limited to help prevent Red infiltration of the population, which is 85% illiterate. All can vote, there are four major political parties, efforts are being made to educate a larger portion of the people and freedoms have been expanded, especially since the Turkish revolution of May 1961, he related.

Free travel occurs at all Turkish borders except that next to Russia, over which no travel is permitted except on official business authorized by the government of Turkey, Nayanm explained. Turks have fought many wars with Russians and do not fear them despite being outnumbered in soldiers, weapons and airplanes, he added.

He was introduced by William Winter, Program chairman was Charles Foley, President. Fred Schmidt presided, and Vice-President Larry Palkes announced plans for solicitation of Madison avenue businesses to finance installation of metal receptacles for flags in newly-poured concrete curb-sidewalk structures.

The holders, which will be imbedded in the concrete, are available with 3x5-foot 50-star American flags and 12-foot hardwood poles at a total of \$12. It is hoped to install three on each side of the street, most blocks and four on each side in long blocks, Palkes said.

New Social Security Law Benefits Now Being Paid

Changes in the Social Security Law, signed by President Kennedy June 30, is now effective. More than four million persons are estimated to benefit from the revisions.

Included in the changes, which the President called "financially sound and socially responsible," are provisions:

Increasing the minimum benefits to \$40; increasing widows' benefits by 10%; lowering the amount of work-credits needed to become eligible for benefits; and making old-age benefits available to men at age 62.

The House committee on ways and means, reporting on the amendments to the Social Security Law, had said, "The provision of benefits at age 62 for men will help alleviate the hardships faced by that group of men who, because of ill health, technological unemployment, or other reasons, find it impossible to continue working until they reach 65."

That committee estimated that 560,000 persons would benefit under this change during the next 12 months.

It estimated also that one and a half million widows would get the increase in the widows' benefit and that more than two million persons would be affected by the increased minimum benefit.

Checks Next Month

Those persons who are not now getting benefits would become eligible during the next 12 months under the lower work-credit requirement, the report continued.

Brasher said that a number of older persons who had applied for benefits before, but who were ineligible because they or their husbands did not meet the old requirement, might now be eligible.

Such people should check again with their local social security office to see if they are now eligible, he said.

TAX FACTS

Changes in the Social Security Law, signed by President Kennedy June 30, is now effective.

In 1945 the Illinois General Assembly created the Illinois Public Employees Pension Laws Commission to deal with mushrooming haphazard and inconsistent legislation. This Commission has brought the cost of pensions into the open and has recommended that such expense be a part of total personnel service cost. The commission also screens pension proposals, advises the Governor and the Legislature thereon, and studies the practices and policies in the field of other states.

Mr. A. A. Weinberg, Consulting Actuary, Illinois Pension Laws Commission, recently pointed out the magnitude of pensions. According to his statistics, the state of Illinois and its political subdivisions have more than 204,000 employees on pension coverage, consisting of state employees and employees of local governments. Over 54,000 people receive pension payments which cost close to \$100 million a year. An indebtedness of close to \$2.5 billion, called a non-funded accrued liability, has been incurred. This is an accrued liability for past service and does not include future service at all.

In the state of Illinois there are 304 individual pension funds with over 204,000 members. Out of the 304 separate units, 287 are small downstate police and firemen funds whose memberships range from one to 100. A separate pension system for one of three individuals is ridiculous but that is the situation in the pension field in the state of Illinois. At the other extreme, Illinois ranks first as having the largest number of individual pension funds for its employees.

The most serious problem is that of financing pensions. In the instance of the state, the amount appropriated has been determined by political and fiscal considerations. Too little reference has been made to the accruing obligations by the State to provide the funds that it owes the systems. The state according to Weinberg, is probably \$40 million short in providing for its full operating expense, because pension cost is a current expense just like salaries. However, the state is not currently meeting these obligations.

Fish Fry Given By Roca Club Chapter

A fish fry will be given this weekend by members of the Roca black and gold chapter, it was voted at Tuesday's meeting at the Moose Hall attended by 19 members.

The site will be at Bellmore Village shopping center, Name-old road, from 11 a.m. to 8 p.m. tomorrow and 9 a.m. to 6 p.m. Saturday, it was reported.

During the meeting, presided over by Ernie Taylor, six candidates but is waiting until they become due some years hence. In other words, it is actually deferring obligations to the future and understanding its current budgets by that method.

The Taxpayers' Federation of Illinois recommends that the public should support the Pension Laws Commission in its effort to bring about an orderly pension system. This is a big problem, but the commission is making progress.

dictates for fall sweatshirts were named. Members will vote for their choice in September at a special meeting.

Plans were made for a joint inquiry for the black and gold chapters but no date was set. The chapter requests that any club or organization in Granite City wishing to operate a concession stand at a Labor Day celebration in Wilson Park call Robert Kary after 5:30 p.m. at TR. 6-1662.

An old-fashioned spread for crackers that bears reviving: Pimento-stuffed olives, ground with walnuts or pecans and moistened with homemade cooked dressing or mayonnaise.

800 Watch Brakettes Sweep Twinbill From Blues

Granite City's officially adopted St. Louis Blues amateur women's softball team bowed before the three-time world women's champion Raybestos Brakettes of Stratford, Conn., twice last night at Wilson Park, 12-0 and 13-0.

What was expected to be a pre-season performance of last year's 1-0 thriller between the same two clubs here, which the Blues won, turned out to be a barnstorming performance for the Brakettes. Manager Vin Cullen of the world champions nominated his two best hurlers to oppose the Blues. Few went home from Wilson Park not knowing that they had seen two great pitchers who made believers out of many men softball players in the crowd.

Joan Joyce, who recently went 26 innings against Astoria, Ore., allowing just two hits and striking out 35 before winning 1-0, breezed through the first game with a two-hitter as she struck out 18 Blues. The win gave the pitcher-first baseman a 16-0 record for the season. She also collected two hits in five times at bat in the first contest.

Pages 11 In Seven Innings Bertha "Mrs. Softball" Ragan, who has tossed over 100 innings in her lifetime, didn't shake the pace for the Brakettes in the nightcap. In fact, the veteran hurler stopped her double-faced just 21 batters before flipping a one-hitter. The Blues' only hit came in the second inning when Catcher George Somers led off with a single but was cut down in a double play shortly thereafter.

The Blues, showing signs of the jitters committed to the first game in the first game and went to the plate swinging at practically every pitch. Settling down in what in the second contest, they were charged with only two miscoms in the field but they could not do anything offensively all night.

Raybestos put the first game on ice early as it tallied six runs on six hits, a walk and two Blues' errors in the first inning. Betty Clifton, Blues' pitcher, was the victim of the Brakettes' 13-hit attack.

Somers Hits Again St. Louis managed two hits off Joan Joyce when once again it was George Somers who got the first Blues hit—a single in the second frame and Jape Wright doubled in the fifth.

The Brakettes scored one run off Blues hurler Bev Conway in the initial inning of the second contest and then combined their efforts for a three-run, second, five-run fourth and three-run fifth frame. Brakette Ann DeLuca hit an inside-the-park home run off loser Conway in the big fourth.

The twinbill was played as a benefit, with proceeds going to the Granite City park district boys' and girls' work fund. Some 800 Quad-Cityans viewed the games, which had been threatened all day with cancellation due to scattered showers.

Two players were injured during the contests. Blues' Pat Blash, who wrenched her knee in the sixth inning of the first game while running out a ground ball, and Brakettes' Edna Fraser were hit in the head by the ball while running from second to third in the second inning of the nightcap.

Joan Maserang Pitches Kelly's Past Allorin The Venice Kelly Girls, playing flawless ball, defeated Allorin 2-1 last night at Allorin behind the five-hit pitching of Joan Maserang. After having control trouble in her last start, she walked the first batter she faced and then settled down to pick up an easy win.

Judy Duro and Angela Unger led P. E. "Pop" Meyer's squad with two hits apiece as the Venice team managed to touch the Allorin hurler for nine safeties.

Meyer has nominated Sandy Klaas to oppose Belleville to night at Lee Park. Kelly's outslugged Belleville Monday night, 13-8 behind the pitching of Sandy Klaas and Joan Turpin at Belleville.

Bantam, Owen Friend Eagles Lodge 11-5, 1st GC Nationals 11-5. (1st game 10 innings). WP Robert Pauli (1st game). Joe Lebus, Greg Voss and Bill Rutledge all had two hits apiece in the second contest.

GOOD TAG IF St. Louis Blues catcher Lorraine Burke had had the ball last night in the seventh inning of the first game of a doubleheader with the Raybestos Brakettes, three-time world women's softball champions, of Wilson Park. The ball had not yet reached the plate, Brakettes' Mickey Macchiello was so close as he came home on a line drive off the bat of Joan Joyce, which the Blues' shortstop dropped. Brakettes won both games.

Installation of Venice Park Dome Shelter To Begin

Construction of a domed shelter in Lee Park is scheduled to take place later this week. It was announced last night during a monthly meeting of the Venice park board.

About 40 feet in diameter, the geodesic dome will be assembled by park employees from a number of sections of triangular plywood sections. The erection will be supervised by representatives of the Park Equipment Service Co., St. Louis, manufacturer of the structure.

It will serve as an open-air shelter for persons visiting the park, and later could be used also for storage with installation of screen and glass at the base of the arched roof, it was explained.

July bids and wages were approved for payment, and it was reported that no new taxes have been received as yet. A partial refund in anticipated for the near future. President William Ohlendorf Jr. presided.

Lease Bid Figures Apparent low bidder was Michael Chernick Co., Detroit, Mich., with an annual lease figure of \$31,500. Other bids were \$38,500 by Belmore Homes, Inc., St. Louis; \$41,780 by Landis & Kyrle Co., Lansing, Mich.; and \$45,800 by M. H. W. Development Co., 2201 Adams street, Granite City.

Best specifications call for a structure containing 18,700 square feet of space with an open to both players in the district and those residing outside the park district.

The location for the new building is proposed at the north end of the block at 24th street, extending from Madison avenue to Iowa street. The Post Office Department holds an assignable ground lease for a tract containing 61,334 square feet with a 241-foot frontage on Madison avenue. The 26-year lease calls for payment of \$3900 annually to the city.

The proposed new post office would replace the present downtown facilities and would be erected by the bidder for lease to the department.

Sunset Hills Swimmers To Enter Jr. Olympics The Sunset Hills Country Club will be represented in Junior Olympics swimming championships Aug. 12 at Bloomington, Ill., by two relay teams. The meet is for junior and midget swimming divisions.

Swimming for the local club will be Katie Kaseberg, Debbie Byers, Terry Studebaker and Miss Buck on the girls' relay team, and the boys' team is made up of Tommy Studebaker Jr., Scott McBride, Dick Byers and a fourth boy to be named at a later date.

Members of the two relay teams recently returned from the Southern Illinois Swimming and Diving Championships held at Marion and sponsored by Southern Illinois University.

Driver In Crash Fined Burgess K. Tramel, 41, of 1114 Grand avenue was fined \$50 and costs for reckless driving and \$25 and costs for leaving an accident scene by Police Magistrate Gasparovic today. His southbound car sideswiped a parked auto owned by the Tri-City Grocery Co. in front of 602 State street at 8:30 a. m. today.

Sonny Randle, brilliant rookie pass catcher of the 1960 St. Louis Cardinals' football team, spent the spring coaching prep school track.

Decision Expected Soon On GC Post Office Lease Bids

Bids for leasing new post office facilities in Granite City are still under consideration at the Bureau of Facilities, Post Office Department, Washington, D.C. It was learned yesterday from H. W. Loch of Peoria, real estate officer for this area. The announcement could be made from Washington at any time, he said.

Loch was unable to explain the delay, since final platform action was expected by late July but he added that the bids would still be valid. Local Postmaster Theodore Overbeck said the delay might possibly be the result of the personnel changes in the Post Office Department.

The department plans to lease a building to be located on the north end of the city-owned block at 2300 Madison avenue. The lease would be for 20 years with bidding on an annual rent figure.

Lease Bid Figures Apparent low bidder was Michael Chernick Co., Detroit, Mich., with an annual lease figure of \$31,500. Other bids were \$38,500 by Belmore Homes, Inc., St. Louis; \$41,780 by Landis & Kyrle Co., Lansing, Mich.; and \$45,800 by M. H. W. Development Co., 2201 Adams street, Granite City.

GC Opposes Jackson Jinx Again Tonight

Granite City's park district Class A softball team will meet the Jackson Falstaffs tonight at 8:45 on the Wood River Jockey field in a Class A sectional battle.

The park district team, picked as the tournament favorite has had its problems with Jackson this year. Granite City has lost three out of four to the Falstaffs — 7-5, 4-3 and 2-1; the game they won was by a 3-0 score.

Jackson moved into the Granite City game after a first-round 3-0 victory over Spangler Insurance. The park district squad gained the second round with a 2-0 win over Vandana.

In other first-round action this week, the 18-11-ville Franks, tagged as the tournament darkhorse, whipped Columbia Tuesday night, 10-5. Last night, in a hard fought contest, the Atom Chiefs defeated Alton Midtown, 6-1.

The Chiefs-Midtown game was tied 1-1 until the top of the sixth, when the Chiefs paid across one run before their third baseman, Joe Finn, connected for a grand-slam homer off Midtown hurler Bob Bryant.

The Chiefs now meet the Franks tomorrow night, and Midtown plays Columbia in the losers' bracket of the double elimination tournament.

The location for the new building is proposed at the north end of the block at 24th street, extending from Madison avenue to Iowa street. The Post Office Department holds an assignable ground lease for a tract containing 61,334 square feet with a 241-foot frontage on Madison avenue. The 26-year lease calls for payment of \$3900 annually to the city.

The proposed new post office would replace the present downtown facilities and would be erected by the bidder for lease to the department.

Spengler Wins Forfeit; Club Delmar Moves Into Tie For 3rd In Class B

Spengler Insurance, engaged in Class A sectional play and also battling for first place in the Class B League, moved into the front-running position in Tuesday night's Class B softball action at the Wilson Park layout.

Spengler picked up an easy win as a result of a forfeit from the Granite City Steel Credit Union, which could not field nine men at game time.

By winning without playing, the insurance men moved within one game of the league leaders. Spengler's record is now 7-2, while the Moose have dropped only one decision in nine contests. Spengler plays the seventh-place Modern Exterminators tonight. The Moose are idle.

In the only game played Tuesday night, Club Delmar ended its record at 4-4 for the season and climbed into a tie for third place by beating Modern Ex-

Wilson Park To Be Scene of River Valley Model Plane Championships

The Mississippi Valley Championships in five open events for model airplanes will be held at Granite City's Wilson Park on Sunday, Aug. 13. The contest is sponsored by the Tri-City Steeles.

The five open events are: stunt, scale, prop, rat race and combat. Trophies will be awarded to the first three winners in each class. Registration is on the day of the contest opens at 10 a.m. and closes at noon.

An added attraction at this year's contest will be a beginners' stunt event with a modified stunt pattern. The special event is for the 18 and under age division. Another attraction at the championships will be the displaying of Howard "Bill" Ogden's detailed model of a B-25.

National Champ Momentum. Ogden entered his model in the nationals' open scale class this week at the Willow Grove Pa., Naval Air Station. He injured his hand early in the meet, and a proxy flyer earned first place for him in the qualifying flight.

The contest director reversed the judges' decision and disqualified Ogden's plane from competition. He had won the nationals in 1959.

His plane features revolving gun turrets, landing lights, retractable gear, bomb drop, motor control and a radio receiver. Ogden, who lives in East St. Louis, is employed in the drafting department of Granite City Steel Co.

MacZura Places Third. Accompanying Ogden to the national championships was 14-year-old Roger MacZura, son of Mr. and Mrs. Warren MacZura, 2308 Aubrey avenue. Roger returned home Monday afternoon with the third-place trophy in flying scale.

Entered in the 16 and under class, the young MacZura flew a Polish model of the world war I Polish fighter PZL-1. Roger and his father are both members of the Tri-City Steeles.

The national meet was conducted by the Academy of Model Aeronautics of Washington, D. C., model aircraft governing body, and attracted over 100 entrants from the 50 states, Canada, Mexico and Peru. The U. S. Navy acted as host for the 14th consecutive year. Contestants ranged in age from six to 60.

MIXED LEAGUE BOWLAND, WEDNESDAY

Brown's 2, Smiths 1; Kaceras 2, McFarrells 1; Fawcetts 2, Cables 1; Pashoffs 2, Jachinos 1; Tuckers 2, Slates 1. Pashoffs 2855; Smiths 1016. N. Eyer 617, 20. Wm. Schaefer 204, Jerry Jerden 200, Phil McFarrell 201, Irvin Slates 202.

Wilson Andrews Gets Hole-In-One At Depot Golf Course Monday

A Granite City man stroked a golf ball 133 yards Monday afternoon and it dropped into the No. 2 cup for a hole-in-one at the Granite City Engineer Depot course.

Wilson Andrews, 3306 Wabash avenue, used a No. 1 iron to accomplish the feat while he was golfing with Ralph Frickel, also of Granite City. Andrews is a newspaper distributor.

The super-shot, reportedly the second since the course opened about three years ago, was verified by the golfers and a groundskeeper. Andrews shot a 39 for the nine holes.

MEN'S LEAGUE BIG TOP BOWL, TUESDAY

Club Delmar 3, Jaycee's 0; Biltmore Moving 2, Biltmore Pipers 1; Buja's Standard 2, Ross Construction 1; Triangle Heating 2, Harnsby Heating 1; Gavenson 208, 218; Norris 207.

Luis Aparicio of the White Sox failed to get a base hit in 10 trips to the plate in the 1958-59-60 All-Star games.

92 GC Youngsters Complete Swim Course; Certificates To Be Awarded

Certificates to show they have successfully completed a swimming course will be awarded to 92 Granite City youngsters at the Wilson Park pool Saturday morning.

The course was offered without charge to residents of the park district between the ages of eight and 15 who had no swimming skill whatever, from July 3 through "Twelve."

Those who did not miss more than three consecutive training sessions will receive beginner certificates from the American Red Cross, plus park recreation awards, beginning Saturday.

The program, sponsored by the park district, attracted an average daily attendance of 125 kids and 80 boys. Girls spent an hour in the pool Tuesdays, Thursdays and Saturdays and boys on Mondays, Wednesdays and Fridays.

30 Phases Of Swimming

Altogether, 30 different phases of swimming were practiced for the Red Cross certificates, culminated by a final test in which swimmers dove into the water and swam 30 yards, partly on their backs, to demonstrate that they now were "at home" in the water.

"Although there were a lot who've got certificates this year because of their attendance and because they were just getting used to the water, we hope they'll come back next year when we repeat the program," commented E. A. Roberts, pool manager.

Instructors were: Mary Lou McCarty and Judy Stille, assisted by Wanda Lupardus, Pam Lakatos, Dave Paoli, David Sparks, George Monken, James Koser, James Alsops, Brett Bjorkman, Walter Gasparovic and Robert Summers.

Certificate Winners. Girls who passed the course and will receive certificates Saturday are: Cheryl Brown, Paula

ORDER AND FRIEND. The two teachers of the new fencing class to open Sunday at the "Y" are hard of practice. The invention of Order Guler, shown here, the dummy is capable of 13 different parry positions and can be used for individual practice throughout the day.

Model Horses To Display Expensive Silver Saddles

The show which has been billed as the Miss America contest of the equestrian world will feature silver saddles as well as super stallions.

While it is true that horseflesh is not judged by quite the same standards as apply to contestants at Atlantic City, beauty and talent of a different sort will nonetheless be the basis of selecting winners at the annual All-Western Horse Show Aug. 26, sponsored by the Granite City Rotary Club.

Saddles carried by horses in the parade class will be elaborately decorated affairs of polished silver, which complete with silver bridles may cost from \$500 to \$800, according to Publicity Chairman E. D. Kincaid of the Rotary Club.

Most Sadies Hard Than Horses. "Most saddles have had decorations added over the years and almost all are older than the horse on which they'll be shown," he said.

The rodeo-type affair will start at 7 p.m. at the Tri-City Speedway, on State Route 3, which has a seating capacity of 5400 and ample parking facilities. About 250 horses will be entered.

The average silver saddle weighs three times as much as conventional models, Kincaid points out. Some have small silver studs over all but the seat area while others have delicately carved rosettes, plates, scrolls and other hand-made designs.

The parade class is judged for beauty, stylishness, personality, eye appeal and manners, the rule book states. Entries may have any color or breed or combination of colors or breeds.

Full Mane And Tail. In addition, horses must carry a full mane and tail which may be arched but not held vertical. Horses should be sound and, since beauty is important, blemishes will be considered.

Horses will be faulted for excessive speed, bad manners, swishing tail, opening mouth, hard mouth, lugging an head or fighting bit, halting or hesitating, zig-zagging or side-wise movement or sour ears.

When horses are shown at a walk and parade gait, they must not show aloof, pack or any high school gait, and must not travel over five miles an hour at a parade gait, according to Kincaid.

"All you need to enter is a live horse with which you are on reasonable terms, he said. A resident of Madison county, have a desire to compete and a three dollar entry fee, he said.

To enter the show, horsemen should contact Beryl Moody at 1308 Madison avenue or send a postcard to Ray Rafferty, P. O. Box 243.

Ticket Information. Tickets are on sale for \$1 each from any Granite City Rotarian or YMCA Youth Group member. They may also be purchased at the Washington Theatre, Beldmore Sporting Goods, Graham's Book Store and B. E. Moody's Sales Co.

Proceeds of the show will be used by the club in its charity and civic development program.

Rotary Horse Show Plans Moving Ahead

Sale of tickets and promotional advertising for the Granite City Rotary Club's annual horse show, which will be held Aug. 26 at the new Speedway in Mitchell, were emphasized at Tuesday's luncheon meeting of the club.

Loren Davis, who is in charge of the advertising booklet, announced that the copy deadline will be Aug. 11. He urged Rotarians to contact local businesses before that time.

E. A. Karandjoff, chairman of the ticket committee, reported on special efforts that will be made to broaden sales and attendance at the show. There is existing capacity at the Speedway for upwards of 5000 people.

A parade, featuring public officials, Granite City Engineer Depot color guard and other highlights of the program, was announced by B. E. Moody, general chairman of the horse show. He said at least 100 horses will participate in the day's events.

All proceeds of the horse show will again be used by the Rotary Club for community service projects.

NEW Fencing Class At YMCA To Use Mechanical Opponent

Fencing students in the new course beginning Sunday afternoon at the YMCA will have an ideal instructor—a silent one.

The second of the summer, the class will feature a mechanical dummy for individual practice.

Standing five feet, six inches high, it can be adapted to serve as a moving target for precision thrusting or bracket at the head, the ball can be attached and swung in a pendulum motion. As flexible as the human wrist, the arm of the dummy can be set in pronation, supination and normal positions.

Fundamentals of the sport can be learned through use of the dummy, saving actual class time for advanced work, Guler explained.

SOCIETY

Strotheide-Harris Engagement

Mr. and Mrs. Emil S. Strotheide, 3244 Wayne avenue, are announcing the betrothal of their daughter, Miss Kathleen Strotheide, to Ronald L. Harris, a son of Mr. and Mrs. Louis Berkowitz of Miami, Fla., until recently residents of Granite City.

The bride-to-be graduated last June from the Granite City high school and is attending the Graduate School of Laboratory Technique in St. Louis. Mr. Harris, a 1960 graduate of the local high school, has just completed basic training with the U.S. Army Reserve Corps and will attend school at Fort Leonard Wood for six months.

Wedding plans are indefinite.

REV. CRADDOCK AND FAMILY VACATIONING
Rev. James R. Craddock, pastor of Central Christian Church, with Mrs. Craddock and their daughter, Lynn, left early this week for a vacation in Glace and White Sulphur Springs, W. Virginia.

The family will be away three weeks and during the absence of the pastor several guest speakers will conduct services at the church. On Sunday, Aug. 6, the pulpit will be filled by Garland Hoskins, graduate of Washington University who spent one year in West Berlin, Germany, in a ministry to the refugees and plans to enter Eden Seminary this fall to study for the ministry.

On Aug. 13 George Carroll, assistant director of youth publicity for the Christian Board of Publication in St. Louis, will speak, and on the final Sunday of Rev. Craddock's absence Mrs. Velma Gruen, a member of the congregation and president of the Christian Women's Fellowship, will give the highlights of the quadrennial meeting of the CWP which she attended recently at Purdue University in Indiana.

MRS. PINKERTON IS CLUB HOSTESS
Mrs. Kathy Pinkerton, 2608 Lincoln avenue, was hostess at her club, the Magnets, Tuesday evening.

Always in the games went with Mrs. Susie Fowler and Mrs. Lucille Stafford, and plans were made for the next meeting at the Stafford home on Westchester drive.

Count on a regular-size slice of fresh bread yielding about one cup of crumbs or tiny cubes.

SCREENS & STORM INSERTS REPAIRED, GRANITE CITY GLASS, 18TH & EDISON.

MISS KATHLEEN STROTIDE, fiancée of Ronald L. Harris. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. Emil S. Strotheide, 3244 Wayne avenue, Mr. Harris is a son of Mr. and Mrs. Louis N. Berkowitz of Miami, Fla., formerly of Granite City.

Greeters Club Board Meets

The August board meeting of the Tri-City Greeters Club was held Tuesday evening in the home of the president, Mrs. Jerry McMaster, on Benton street.

The chief topic for discussion was a picnic which the group is planning for the members and their families Tuesday, Aug. 8, at 5:30 p.m. The families will furnish covered dishes and an invitation has been extended to all newcomers to the area and their families.

Present at Tuesday's meeting were Mesdames Jerry Link, Seymour Fredericks, Martin Davis, B. C. O'Neill, Richard Hastings and the hostess.

SCREENS & STORM INSERTS REPAIRED, GRANITE CITY GLASS, 18TH & EDISON.

Shower Honors Mrs. Jos. Wyatt

Mrs. Joseph Wyatt of Center street, the former Carol Jones, was guest of honor Tuesday evening at a blessed event shower given by her aunts, Mrs. Edith McAlister and Mrs. Thelma McIntire, and her grandmother, Mrs. Georgia Kitchen, at the home of her parents, Mr. and Mrs. Edgar G. Jones, 2608 East 28th street.

A late buffet supper was served to Mesdames Pat Johnson, Otto Johnson, Pearl Griffin, Cecelia Holman, Eliza Holman, Lillian Brokaw, Dorothy Coy, Katherine Converse, Helen Shaw, Sandra Basden, Frances Jones, Katherine Westbrook, Frances Westbrook, Gladys Herd, Donna Hagan, Patsy Gerkin, Florence Smith, and Misses Stella Brown, Ruth Holman, Mary Ann Brokaw, Ethel Young and the honoree.

Calvary Baptist YWAMeets

The Young Women's Auxiliary of Calvary Baptist Church met Tuesday evening in the home of Mrs. Ruby Pfaff, 3008 Nameoki road.

The program was entitled "A Wanted Nation" and those taking part were Anita Patterson, Linda Harrison, Mary Courtney, Judy Brooks, Patricia Partle, Frances Wallis, Judy Pfaff and the counselor, Mrs. Lois Bradford.

Plans were completed for a slumber party to be held Friday evening at the home of Frances Wallis and for the next meeting in the home of Jo Ann Puller on Aug. 15.

Eagles Auxiliary Give To Project In Mexico

A contribution of \$10 was made by the local Eagles Auxiliary to a youth vocational training project called "Eagle House in Mexico" which has just been completed, according to word received from the headquarters of the Fraternal Order of Eagles in Milwaukee, Wis. The Eagle House is located in a wing of the National Rehabilitation Institute in Mexico City. It provides for the training of handicapped persons in sewing and dressmaking, Carpentry, upholstery and jewelry making. Eagles Auxiliaries raised funds to buy equipment for the center. Mrs. Juanita Blevins is president of the Granite City Auxiliary.

Girl's Arm Fractured In Fall From Bicycle

Sally Ann Essington, 11, daughter of Assistant Police Chief and Mrs. John Essington, 215 Granville street, suffered fracture of the right forearm at 11:30 a. m. Tuesday in a collision of two bicycles on Second street at Abbott street, Venice.

Three-Vehicle Crash Reported On Madison

A three-vehicle crash occurred at the intersection of 21st street and Madison avenue at 3:40 p.m. yesterday when autos driven by Alma M. Butler, 45, of 3120 Anthony avenue and W. J. Grizzard, 38, of 2914 West 20th street collided. Grizzard's car veered into a pickup truck halted at a stop sign, driven by James Price Jr., 23, of Belleville. Police said Butler was southbound on Madison and Grizzard westbound on 21st street when the accident occurred.

War I Delegates Going To National Meeting In Texas

Veterans of World War One Barracks 34 and the Auxiliary met Tuesday evening at the VFW hall, with 61 present. The meeting was conducted by Commander Elliott and the auxiliary president, Mrs. Elizabeth Huttsell.

Delegates elected to represent the state convention in Danville, July 7-8-9.

Delegates elected to attend the national convention in Dallas, Tex., Sept. 16-20 were Mrs. Elizabeth Borgarth, Mrs. Mary Bredenbach, Mrs. Clara Elliott, Mrs. Elizabeth Huttsell, Mrs. Clara Radman, Mrs. Vera Schilinger and Mrs. Kathryn Fellers.

Mrs. Fellers presented a check to the auxiliary as the second place award winner in the state for publicity. Guests for the evening were Mrs. Martha Whitman, Mrs. Pauline Winte and Mrs. Catherine Wiemers, all of Edwardsville. Following the business meeting, refreshments were served.

VISITS MOTHER

Mr. and Mrs. Don C. Davis left this morning for their home in Memphis, Tenn., after several days visit with the former's mother, Mrs. Bethel Davis, 2148 State street.

JOB'S DAUGHTERS ATTEND OPERA

The annual municipal opera party of Job's Daughters was held last night, preceded by a backstage tour before the performance.

The trip was made in a chartered bus which left the Masonic Temple at 6 o'clock and chaperoning the group were Mesdames Nell Baskette, Alice Christian, Laura Stein, Alice Hodshire, Hildred Lewis, Bess Heppley, Vivian Rich, Eva Shepard, Mildred Jungels, Lillian Heinemann, Mr. and Mrs. Earl Williams and Arline Morley.

ENTERTAINS CLUB ON OUTING

The clubhouse of Mr. and Mrs. Carl Mercer, 2400 Edison avenue, in Pacific, Mo., was the scene of an outing Wednesday when Mrs. Mercer entertained her birthday club there.

In the party were Mesdames Della Springer, Steve Strain, Anna Patton, Beulah Drum, Evelyn Stark, Nadine McGriff, Violet Adams, Jennie Elwood, Mabel Gascell.

Sorority Holds Centennial Civil War Party

One of the most delightful of recent parties was that given last night by Mrs. James Holland and Mrs. Edward Graham for the Eta Alumnae Chapter of the Phi Tau Omega sorority at Augustin in Belleville. Commemorating the Civil War Centennial, an early American theme was used throughout with the appointments in the colors of red, white and black. Wrought iron tea kettles, urns and a miniature kitchen stove filled with red roses centered the table and favors were small "sad" irons and trivets.

Twenty were present and prizes were won by Mrs. George Louis, Mrs. Paul Meyer, Mrs. William Hillmer, Mrs. Holland, Mrs. Charles Rodell, Mrs. Charles Jungels, Miss Celestine Lucas, Mrs. Russell Latose, and Mrs. Elmer F. Forcade, 2904 Indiana, avenue, and Mrs. and Mrs. Frank Lowe, 2537 Iowa street.

Opera Party For Sorority

Members of Epsilon Eta Chapter of Epsilon Sigma Alpha sorority enjoyed the performance of "Wish You Were Here" last night at the Municipal Opera.

In the party were Mesdames Phyllis Grimm, Carol Grove, Harriet Humphreys, Judy Past, Joyce Willmore and Janice Bjello, Misses Virginia Judd, Janice Steinhauser and Lana Winters of the chapter and a guest, Mrs. Jerry Kelly.

After the opera, the group discussed plans for an all-day outing for members and their families on Aug. 15 at Arcadia Lodge in Arcadia, Mo.

RETURNS TO TEXAS

Michael Forcade, son of Mr. and Mrs. Elmer Forcade Jr. of Dallas, Tex., returned Tuesday to his home after spending the past six weeks of his vacation with his grandparents, Mr. and Mrs. Elmer F. Forcade, 2904 Indiana, avenue, and Mrs. and Mrs. Frank Lowe, 2537 Iowa street.

CELEBRATE SILVER WEDDING ANNIVERSARY

Mr. and Mrs. Victor Szumek, 2054 Fourteenth street, celebrated their silver wedding anniversary at a party this week at the VFW hall attended by approximately 150 relatives and friends. Dinner was served from six to seven o'clock and there was dancing the remainder of the evening.

Among the out-of-town guests present were Mr. and Mrs. William B. Benthin and daughter, Mary, of Jacksonville, Mr. and Mrs. Lee Caldwell of Thebes, Ill., and others from St. Louis, St. Louis county and the surrounding area.

EDITORIAL

Water Transportation, Availability Strong Assets In Attracting Industry

With the Bi-State Development Agency and Tri-City Regional Port District continuing their progress toward further development of facilities at the local harbor, it becomes increasingly clear that access to water transportation is one of the community's major assets. This is borne out by a new American Waterways Operators survey of industrial expansion adjacent to ports.

While cities away from water routes have been experiencing varying degrees of success in encouraging new industries, the rate of water-side plant site development has more than doubled since last year. Production industries have built or announced definite plans to construct 249 new plant facilities along navigable inland waterways during the first half of 1961. Since 1952, the total is 3710.

The wide range of firms whose operations are aided by convenient water transportation, based on the 1961 listing, includes chemical, petroleum, general manufacturing, metal and electrical, power, oil and gas, paper, rubber, cement and grain installations.

Of almost equal importance is the availability of water in large supply for industrial use. And there are few water sources that can compare with our own Mississippi River, the "father of waters."

Cities Quickly Adopting Taxes Authorized By State

The speed with which cities have adopted service occupation taxes authorized by the legislature bears out the belief that Springfield was the place to head off proposed doubling of city sales taxes.

It has been said that the extra half-cent on the new three-cent state service occupational tax is justified by the added burden on municipalities from paying state sales taxes on their purchases and sales. This may be true, but it is another example of the overwhelming response by cities and counties once a new avenue of taxation is opened to them by the state.

The fight for increasing municipal sales taxes was waged this year largely by the Chicago mayor, but it seems likely that many other cities also would have put the higher tax into effect if the law had been passed. Its defeat was in the public interest, not because its effect was too sweeping and the impact too great on fringe areas of Illinois.

Now that the combined retailers' occupational tax has reached four cents on the dollar and there is a three-and-a-half-cent combined state-city tax on sales incident to professions, we look for strong opposition to further increases. "How high is up?"

New Bills Would Aid Federal Action Against Syndicate Crime

Local and state law enforcement remains a vital weapon, but it has been shown that some aspects of syndicate crime necessitate action at the federal level. For this reason, we urge House approval of a series of bills passed by the Senate unanimously on the recommendation of the Justice and Treasury Departments.

The proposals expand grand jury authority and federal agencies' role in combating interstate vice, narcotics, gambling machines, betting wires and illegal liquor and firearms traffic. Though there also has been infiltration of legitimate businesses, the bills could bring the government strike more effectively than at present at the heart of U. S. gangsters' power and profits.

No one knows whether there will be deflation in the years to come, but you won't be sorry if you pay your debts now.

Revival Beginning Sunday At First Baptist Church

A one-week revival will be held at the First Baptist Church, 21st street and Delmar avenue, beginning Sunday, sponsored by the young people of the church and conducted by a group working under the Practical Missionary Program of Southern Baptist colleges.

Evangelist will be David Justing of Bellevue, Mo. Assisting him will be Miss Helen Smith, Elk Park, N. C.; Miss Ruby Jones, Anquilla, Miss.; and Miss Beverly Hargrave of East St. Louis.

Services will be held at 7:30 nightly through Aug. 13, followed each night by a fellowship period for young people.

Committee chairmen from the church are Beverly Dennis, publicity; Jody Hiles and Mike Fry; music; Lois Bain and Nancy Parks; fellowship; David Cook, ushers, and Mike Vorhees, promotion. Advisors are Mr. and Mrs. George Scrum, Mr. and Mrs. Claude Cook, Fentress Stagner and Mrs. Jewell Everett.

Madison Drive Against Single License Plates

Seven arrests took place within a period of 24 hours Tuesday and yesterday in Madison as police launched a drive against auto displaying only one state license plate. All of the owners were released to appear for hearings Aug. 25.

Those charged were Everett Vaughn, 509 West Second street; West Madison; Bobby Reynolds, 1116 Reynolds street; Clarence Carnahan, 2501 North street; Patsy Leiner, 1808 Seventh street; Joe Marala, 1707 Collinsville avenue; Dorothy Serano, 831 Greenwood street; and Artie Harmon Jr., Kansas City, Kan.

Parks In Bus Zone

Victor Cowell, 35, St. Louis, paid a \$5 fine on a ticket charging that he parked in a bus zone in Madison at 1:30 p. m. Tuesday.

Adult Guidance Necessary For Dating At Young Age

We are not among those who see in current American civilization the telltale signs of moral decay that led to destruction of the Roman empire. Yet there appears to be some merit in the contentions of a leading marriage counselor, who has written in a national magazine of "dangerous and unhealthy" aspects of the trend toward younger "dating" among teenagers. Fuller parental control of the types of early dates may be an answer.

In urging that parents outlaw dating by children under 15, Dr. David Mace, executive director of the American Association of Marriage Counselors, says premature pairing off for an evening and especially for a succession of social occasions can lead to social tyranny, a distorted attitude toward the money spent, mutual exploitation and a greater chance of future marriage failure.

It is true that youngsters are maturing socially at a younger age than in the past and this is largely a gain, for the major hurdle life is learning to live peacefully and pleasantly in the midst of other people. Due to more widespread and intensified education and communication, it would be surprising if children of today were not further advanced than their forebears. Still, there remains the hazard of being forced, by the customs of their time, into decisions on conduct at an age when they are not yet able to decide correctly.

Early dating seems to be gaining steadily in acceptance. For parents who want to swim with the tide and yet provide the guidance that they know is needed during the immature years, more group situations and controlled environments could help. Above all, parents must set and enforce the standards for those in the early teens; youngsters' reports of what the rest of the crowd is doing, even if true, are an insufficient guide.

Public Streets Were Never Intended To Serve As Private, Overnight Garages

Who remembers the "old days" when it was illegal to park a vehicle on public streets at night without a rear light?

For years now, millions of automobiles and trucks have been this "garaged" all over the nation without benefit of this safety light. So widespread has become the practice that a number of cities are assessing a monthly rental.

City metropolises rationalize that public streets are for public use and, when converted to private purposes such as overnight garaging, fixes a monthly fee of \$8 under penalty of impounding the vehicle.

This produces a substantial amount of revenue which is most welcome in alleviating inadequate streets and parking facilities. Not a bad idea and few would deny that darkened, parked vehicles, particularly on narrow two-way streets, are not only a hazard but also a worry and inconvenience to the traveling motorist.

What would happen if the owners of Granite City's 11,000-plus vehicles all decided to garage their cars on the streets overnight? They would fill both sides of nearly 25 miles of public thoroughfares.

Extra Salt In Diet Can Help Prevent Heat Prostration

Now that milder weather has given way to the expected summer heat and humidity, the U. S. Public Health Service has urged liberal use of salt to aid in avoiding heat prostration. Salt is needed because the body's normal supply is dissipated by excessive perspiration.

For those employed in the heat of indoors or under the sun outdoors, or engaged in leisure activities that consume much energy on hot days, the health officials recommend salt tablets or extra salting of food. The suggestion does not extend to those whose salt intake must be limited due to other health factors.

Housing Board Cagers On Project For Aged

The Granite City Housing Authority board last Tuesday night to discuss progress of plans to construct 100 housing units for the elderly here.

Executive Director David W. Morgan reported that blueprints and plan specifications for the project are still being reviewed by the regional office of the Public Housing Administration in Chicago. He expects to receive word from the office within two weeks.

HERE FROM VIRGINIA. Mr. and Mrs. James Franko of Arlington, Va., have arrived here for a visit with relatives and friends. Franko is with the U. S. Army in Washington, D. C.

Mr. and Mrs. Ruh Klein returned Monday from Detroit, Mich., where they spent the weekend on a business trip.

SAYS POOL NEEDED TO CUT SWIMMING HAZARDS

To the Editor:

Why were the questions asked in a recent article concerning the Madison Swimming Pool ignored?

Maybe no one really cares about this controversial issue. I for one hope this is not the case. Do the citizens and taxpayers want a supervised swimming area or does it make any difference to them if their children flit with death in unsafe lakes, ponds and rivers?

Swimming is a valuable recreational activity because it provides relaxation for mind and muscle. It is a sport that can be enjoyed and appreciated by young and old alike. So I ask again, why aren't we citizens of Madison allowed to swim in our "swimming pool"?

Who closed the pool, and what excuse is being used to keep it closed? Again I will direct these questions to the person or persons in city hall, who are best qualified to remark publicly on these questions.

I want my children to have the same advantages as other children who may swim in other cities, under supervised conditions.

Why should I have to travel any distance at all for a few hours of relaxation, when there is a Madison swimming pool right here in my home town? This is a situation which should be remedied, not tomorrow but today.

What is the dark cover of mystery surrounding our swimming pool? I'm sure that a reasonable solution can be worked out that would satisfy everyone.

Again I will say, answer my questions, Madison. Until the Voice of Madison speaks, I will continue to ask questions.

Interested Madison Citizen

QUESTIONS CITY STREET WORK ON SUNDAYS

To the Editor:

A friend told me that a speaker at a recent meeting in St. Louis said the commuters realize that in order to subjugate the world the concept of the Ten

Commandments must be erased from the people's minds, and that they have been successful in all but one commandment.

McGuire's Sixth Eclectic Reader quotes a speech by Gardner Spring 1785-1873 Pastor of "Black Church" in New York City, in parts of which he says:

"The observance of the Sabbath is also most influential in securing national prosperity. The God of Heaven has said 'Them that honor me I will honor.' A Sabbath breaking community is never a happy or prosperous community."

Was the painting of street signs on Sunday necessary or right?

Sincerely,
DOROTHY GEROFF,
2439 Delmar

CONCERNED ABOUT GOVERNMENT POWERS

To the Editor:

Everywhere I look I see the massive power of centralized government. I see government agencies, big bureaucracy, and government infringement on individual liberties.

I see government agencies, big bureaucracy, and government infringement on individual liberties. I see government agencies, big bureaucracy, and government infringement on individual liberties.

Area's Accident Pace Slows, Year's Totals Still High

The pace of accident casualties slowed during July in the Quad-City area. But the year's totals remain high due to a heavy toll in the first half of the year.

From 130 crashes on local streets and highways, 81 persons injured and six killed in June, the July statistics dropped to 128, 61 and none.

The 1961 total stands at 949, compared to 978 at a similar point in 1960.

Seven-month figures this year, compared with all previous years on record, show that the 453 hurt and 20 killed are the most in history for January-July.

The 949 accidents were recorded only in two years, 976 in the first seven months of 1957.

1960 and 950 through July 31 of 1957.

135 Crashes Monthly This Year

July's 128-61-0 listing compares with a monthly average of 143-67-13 last year and record monthly averages of 148-67-34.

The average so far this year is 135-43-3.

The period in which no traffic deaths have occurred here reached 44 days through the end of July. Last local fatality was on June 17.

Projections of the current rates indicate possible year-end tallies of 1627 collisions, 780 injuries and 34 traffic deaths.

Previous full-year totals were 1731-805-19 last year, 1625-734-24 two years ago, 1476-622-33 three years ago, 1673-617-28 four years ago, 1542-607-27 five years ago, 1572-686-26 six years ago, 1139-427-44 in 1954 and 1025-429-24 in 1953.

61 Hurt Last Month

The 61 July injuries boost the 1961 tally to 453, highest ever recorded in this area for a Jan-

uary-July period. However, the present monthly rate would total 720 in 12 months, short of the 805 mark established in 1960, when there were 425 injuries in the first seven months but 380—reflecting a faster pace in the last five months.

With 128 auto mishaps of all types listed by area police, deputies and troopers, the current 1961 total stands at 949, compared to 978 at a similar point in 1960.

SUCCESS OF SALE SHOWS CUSTOMERS APPRECIATE CHANCE TO SAVE AND STILL HELP OTHERS GET BACK TO WORK

Arden Friedman, Manager of Fredman Bros. Furniture Co., at Delmar and Niedringhaus in Granite City, has reported to the Builders Marketing Guild of Chicago, with a membership of hundreds of leading furniture stores throughout the country, of the great response received by his store to the Prosperity Campaign being conducted by his store. It is hoped that other stores throughout the country will temporarily forget costs and make an all out effort to move merchandise and at the same time immediately place firm orders in order to create greater production in industry and put people "Back to Work."

With Fredman Bros.' new liberal flexible credit policy, it has been possible for customers with smaller fixed incomes to arrange terms to suit their budgets. The crowds were tremendous, showing proof that the values were generally appreciated.

SOCIETY

Eta Chapter Phi Tau Omega, Installs New Officers

Installed in a candlelight ceremony which followed the "friendship dinner" of Eta Chapter of the Phi Tau Omega sorority Monday evening at the Flamingo Restaurant in Hazelwood, Mo. were — Mrs. Laveada Knobbe, president; Mrs. Georgina Waggoner, vice-president; Mrs. Dolores Seibert, recording secretary; Mrs. Peggy Burch, social secretary; Miss Kathryn Weddell, treasurer; Mrs. Laura Boyd, associate scribe; Miss Dolores Sheridan, sergeant-at-arms; and Mrs. Ethel Zimmer, historian.

Mrs. Gina Thomas, the retiring president, installed the new officers at the dinner which carried out the "friendship" motif in the table appointments of flowers and candles.

Madison Woman Falls From Stepladder

A Madison woman, 61, who fell from a stepladder at her home was among four persons given emergency treatment Wednesday at St. Elizabeth Hospital.

Mrs. Viola Dobrowsky, 1024 Greenwood street, was treated about 12:30 a.m. Wednesday for bruises to the chest and shoulders. She was admitted to the hospital and is in fair condition today.

Michael Robinson, 1024 Greenwood street, suffered a fractured left arm about 8 p.m. Wednesday when he fell while playing. Frieda Lewis, three, 1628 Fourth street, Madison, ate an unknown number of pills. Her stomach was lavaged.

Anthony Michel, local jeweler, 2618 Cleveland blvd., suffered cuts to the left hand and fingers Wednesday evening when his hand was caught in a power lawn mower.

Front row, left to right — Dolores Seibert, recording secretary; Laveada Knobbe, president; Gina Thomas, retiring president; Georgina Waggoner, vice-president; Peggy Burch, social secretary; Back row — Dolores Sheridan, sergeant-at-arms; Ethel Zimmer, historian; Laura Boyd, scribe; and Kathryn Weddell, treasurer.

Girls Leg Broken
(Continued from Page 1)

before it struck a five-year-old boy near his home on Johnson road at 3:38 p.m. Monday, Granite City police reported.

Taken to St. Elizabeth Hospital for emergency treatment was Timothy Holt of 2117 Johnson road, whose father is Leland H. Holt, a veterinarian. He was released after treatment for abrasions to his right elbow.

Driver of the westbound auto was Anthony J. Bauer, 65, of 3504 Franklin avenue.

Bicyclist Hits Car
A bicyclist suffered a cut lip and a bump on his head at 8:30 p.m. Monday when he rode his bike into the right front wheel of an auto.

Driver Joe Imperiale, 38, of St. Louis, was traveling north when the cyclist appeared from a driveway at 50 Riviera drive. He swerved to the left and braked his car just before John Jenne, 6, of 2308 St. Bernard avenue, crashed into it, Granite City police reported.

The boy was treated at St. Elizabeth hospital and released.

GC Woman Hurt In St. Louis
A Granite City woman was released from St. Louis City Hospital yesterday after she suffered facial cuts and bruises when she lost control of her car in St. Louis early Tuesday and struck a parked car and a tree.

Mrs. Barbara Bard, 37, of 2612 National avenue, was on her way home after visiting friends when the accident occurred in the 5100 block of Daguet avenue.

Her husband said she apparently got onto the wrong street and was looking for a route sign.

GC Tax Bill 2nd Notices In Mail
Tax payments totaling nearly a half-million dollars this week in Granite City as Township Collector Frank Sappington sent out second notices to persons with 1960 real estate and personal property tax bills. \$111 unpaid. Payments now total \$3,338,378.

Local collection of taxes is to end between the period of Aug. 10-15 and after that time, property owners will have to mail or take their tax payments to the county treasurer's office at Edwardsville.

This week's payments totaled \$408,537, including \$344,320 received at Sappington's office on Monday when General Steel Industries, Inc. made its payment. That is the peak day to date since the collection was started June 12. The total amount of taxes to be collected is \$3,410,072.

Sappington said he began yesterday to send out second notices on real estate taxes and those for personal property are going in the mail today.

The collector is optimistic that most of the \$3,410,072 total bill will be paid locally.

His office on the second floor of the city hall is open weekdays 8 a.m. to 5 p.m. and on Saturdays from 8 a.m. until noon.

REAL ESTATE TRANSFERS

prior to the crash. St. Louis police charged her with careless driving, destruction of city and private property and set a hearing for Aug. 18.

Mrs. Young Assigned At Depot Dispensary
Mrs. Sylvia Young, wife of Sgt. Merle Young, 5503 Engineer Group (M&S) stationed at the Engineer Depot, The "Gray Lady" is a branch of the volunteer workers who assist the Red Cross.

Mrs. Young is a "Gray Lady" and has been serving in that capacity for the past five years. The Gray Lady is a branch of the volunteer workers who assist the Red Cross and Mrs. Young received her training in 1945 at the U.S. Fleet Activities Infirmary in Sasebo, Japan, and continued her work at the San Diego Navy Hospital, serving from October 1954 to July 1955.

When Sgt. Young was reassigned to duty in Europe, Mrs. Young volunteered her services to dispensaries while she was there. For her efforts as a doctor's assistant, she received a citation May 8, 1957, from the American National Red Cross.

Mrs. Young will assume the same duties as a doctor's assistant here, the first for the Engineer Depot.

YES... SLOW DOWN and LIVE!

CELEBRATE ANNIVERSARY. Mr. and Mrs. L. E. Anderson, 1951 Maple street, who observed their 50th wedding anniversary this week at a family party.

L. E. Andersons Observe 50th Anniversary
Mr. and Mrs. L. E. Anderson, 1951 Maple street, celebrated their golden wedding anniversary this week at an outing at Wilson Park attended by their family.

Mr. Anderson is 73 and his wife is 67. They are parents of 13 children, 10 of whom are living. They also have 46 grandchildren and 19 great-grandchildren. Before retiring several years ago, Mr. Anderson was employed at the Granite City Engineer Depot.

The children are Arlie C. Earl E. and Carroll G. Anderson, Mrs. Pearl Keller, Mrs. Elvada Wells, Mrs. Arlene Knuth and Winifred Anderson of this city; Stanley C. Anderson, Wavelle, Ill.; Duane E. Anderson of Delta, Ill.; and Mrs. Nellie Miller of Wetaung, Ill.

Others attending the celebration were Mrs. Mabel Glahub, Chicago; Mr. and Mrs. Wilbur Dickerson and family, and Mrs. Bertha Dickerson and daughter of Edwardsville.

The dinner table, covered with a white and gold cloth, held a tiered wedding cake adorned with gold leaves and a "tree of life" bearing the names of the children.

Mrs. Anderson was presented with a corsage of carnations.

MORE ABOUT TV Inspection
(Continued from Page 1)

spection is to be completed by tomorrow.

The engineer explained that a section of the line south of Lindell blvd. apparently has collapsed, and it will be necessary to clean it before running the small TV camera through. Work is underway now to get the line into operation by bypassing the collapsed area with an auxiliary line along the street, with sewage to be pumped to the Clark avenue lift station.

The initial break at a manhole off Garfield avenue has been repaired, but the excavation has been left open as work on other repairs along the line gets underway. The city sewer jobs are not being picketed by Laborers' Local 397.

The TV inspection is being carried out by National Power Rodding Co. of Chicago. Its equipment includes a trailer with power units and TV receiver mounted on a truck. The receiver is mounted in front of the TV screen to take photographs of the interior of the sewer line.

The camera, about two feet long and about 10 inches in diameter, contains its own light units and is pulled through the line. It can be stopped at any point.

Shelter, First-Aid Planning in Madison
Air raid and storm shelters and first-aid were major topics at a planning meeting of 12 members of the Madison civil defense and natural disaster staff last night at the Madison recreation center.

E. A. Friedman, disaster chairman, reviewed plans for accelerated first-aid instruction and CD Director Harry R. Johnson reported on arrangements being made for shelters.

Mrs. Hettie Adams, 87, Dies; Formerly of GC
Mrs. Hettie B. Adams, 87, who resided in Granite City before moving to Alton six years ago, died at 12:35 p.m. Tuesday at the home of a niece in Alton. Born in Greene county, she was the daughter of the late Mr. and Mrs. Thomas M. Glass.

She is survived by a daughter, Mrs. Grace Taus of Jerseyville. Funeral services were held this afternoon at an Alton funeral home, with burial at Shipman.

Speeding Charge
Marlen V. Perkins, 20, of 2436 Lincoln avenue, posted his driver's license as bond pending a hearing after he was arrested by Granite City police at 9:12 a.m. today for speeding at Lincoln and Bromley avenues.

ANNUAL SUPPER FOR PAST NOBLE GRANDS

A covered dish supper was held Tuesday evening in the basement dining room of the Old Fellows hall in Madison by members of the Past Noble Grand club of Delray Rebeleh Lodge 786. The supper is held each year, during August, by the members.

At the conclusion of the supper, a social time and short business meeting were held. Mrs. Wilma Serfati, vice-president, presided over the business meeting in the absence of the president.

During the social period, a wrapped gift exchange was held, with each member taking a surprise gift.

Those taking part were Mrs. Althea Gray, Mrs. Leora Rogers, Mrs. Dora Rash, Mrs. Chloe Maxon, Mrs. Minnie Perry, Mrs. Elsie Vance, Mrs. Pearl Serfati, Mrs. Dorothy Gregory, Mrs. Lillian Hoelscher, Mrs. Naomi James and son, Phillip Wade, Mrs. Ruth Hanenbrink and Miss Margaret Brown.

The September meeting will be held in the home of Mrs. Rogers, 2260 Iowa street.

PINK AND BLUE SHOWER

Mrs. Rita Lybarger was complimented with a pink and blue shower Sunday afternoon. The shower arrangements were made by Mrs. Clova Taylor and

The council proposes to hire a part-time secretary to serve the commission; and the overall program, as outlined in the SIU report, calls for the city building inspector and a city engineer, yet to be employed, to work closely with the commissioners.

The SIU government study expected to be completed by the city and commission by the end of the year. The study will extend an offer of service to the city and commission by the end of the year. The study will extend an offer of service to the city and commission by the end of the year.

Mrs. Dorothy Lybarger, and the event was given in the Lybarger home, 1825 Primrose avenue.

A bountiful decorated spread for the occasion was filled with gifts, which the honoree opened. Games were played during the afternoon, with prizes being awarded to Mrs. George Marshall, Mrs. Dorothy Suratt, Mrs. Coline Lybarger, Mrs. Yoda Taylor, Mrs. Shirley Rapoff, Mrs. Anita Lybarger and Mrs. Nancy Sabo.

Others taking part were Mrs. Carol Murray, Mrs. Rose Osborn, Mrs. Leora Schultz, Mrs. Ruth Nicholas, Mrs. Clova Mae Howard, Mrs. Charlene Burns, Mrs. Jeanice Rice, Mrs. Judy Donaldson and Miss Linda Taylor.

Refreshments were served by the hostesses.

Morning services of the First Methodist Church of Madison will go back to the scheduled times for Sunday school and the worship services this Sunday. The schedule will be: Sunday school, 9:30; worship, 10:45.

Earlier hours were observed during July.

RETURN TO EAST

Mrs. Andrew Plantz and his daughters, Susan Ann and Cynthia Lynn, New London, Conn., returned by jet plane Sunday to join her husband, second-class radio man on a Navy submarine based there.

Mrs. Plantz is the former Miss Mary Jane Grakianoff, 809 Lee, Madison

Depot GI Wounded In Accident At Home

A soldier stationed at the Granite City Engineer Depot critically wounded himself with a shotgun Tuesday afternoon at his home in St. Louis.

Pfc. Jackie A. Pratt, 21, was taken to St. Louis City Hospital where his condition today was described as critical but improving. The blast struck near the center of his stomach and ripped out his spleen but apparently missed arteries and bones.

Authorities at the depot said Pratt had gone home to change into a fresh uniform and report back for duty. He reportedly was examining the shotgun in preparation to cleaning it when it discharged.

The incident occurred about 4:40 p.m. at 2904 Henrietta avenue where Pratt lives with his wife, Linda Jo, and four-month-old son, Rickie Lee. He has been assigned to Headquarters Co., 583rd Engineer Group (MSG) since May 8, 1960.

Depot authorities said they had not determined the gauge of the shotgun or whether it was Pratt's weapon.

If you add liquid to standard biscuit dough, you can drop the mixture into small muffin pans instead of doing the work of rolling out and cutting out the biscuit dough.

and Plantz is the son of Mr. and Mrs. Joseph Plantz of Madison. Time was spent with each of the families.

Family gatherings were held while Mrs. Plantz and her daughters were in Madison for a period of three weeks. Other friends and relatives were visited by the out-of-town guests.

Use a pint of boiling water and a tablespoon of salt when you are cooking a pound of fresh shrimp in their shells. Simmer the seafood, do not boil it or it will toughen.

First commercial fishing corporation in American was chartered in New York on Jan. 8, 1675.

George Altman of the Cuba began the 1961 season with an average of 233 for 254 games over two seasons.

Ever add a vanilla bean to a pound of confectioners' sugar? To do so, quarter the bean lengthwise and poke down into the sugar at regular intervals. This sugar is fine to use when you want to sweeten and flavor whipped cream.

Willie Shoemaker won his first race on Schafter V in a race at Golden Gate Fields, April 20, 1949.

MORE ABOUT

Plan
Commission

(Continued from Page 1)

governor; one member each appointed by the two county boards of supervisors; one representative of the East Side Levee and Sanitary district; the chairman of the Illinois Industrial and Planning Commission, Victor DeGraia of Chicago; and a 17th member to be named by the president of the Southwestern Illinois Conference of Mayors.

The four members to be appointed by Gov. Kerner must be residents of Madison or St. Clair counties, divided equally between the Democratic and Republican parties.

A provision in the law creating the commission says it "shall study the needs for long-range planning . . . and how these planning needs can best be met."

It specifies that the group will study the need for planning for water needs and water control, sewers, highways, education needs, industrial development, zoning and housing, and report back to the 73rd General Assembly with a report on its findings and recommendations for legislation.

\$53 Million SIU Bonds
The governor on Monday also approved bills appropriating \$194,000,000 in bond funds for construction work at state universities, including \$38,500,000 for the University of Illinois, \$53,200,000 for Southern Illinois University and \$43,200,000 for the State Teachers' College Board, which operates the other four state-supported universities. Included in the SIU total is \$25,000,000 for initial construction of a four-year state university east of the Quad-Cities.

Kerner also signed a bill appropriating \$23,000,000 toward retirement of the school bonds during the current biennium.

The bond issue was approved by voters in a statewide referendum in November 1960.

Vetoes Nature Preserves
The governor signed legislation to modernize Illinois' commercial code and to provide that sales taxes apply to purchases of materials by state and local governments. He vetoed a series of bills providing for creation of a system of nature preserves.

Commenting on the commercial code, he said it "brings together numerous separate fields of law, bank deposits and negotiable instruments, it modernizes areas of commercial law that were formulated in horse and buggy days."

"With the opening of the St. Lawrence Seaway, Illinois is in a position to achieve even greater status as a world center of trade and commerce. It is commonplace in the business of today that commercial transactions do not respect state boundaries. It is clear that if our law is to keep pace with our economic growth, it must also expand its scope."

Other bills signed into law will permit the state to transfer up to \$34,000,000 from the state motor fuel tax fund to the general revenue fund, with later repayment; appropriate \$150,000 and authorize the state school superintendent to contract with school districts, universities and colleges for conducting study projects in the field of education of gifted children; appropriate \$65,000 to rehabilitate the governor's mansion and \$47,500 for the Illinois Historical Library; provide \$700,000 for two-year operating expenses of a new minimum security state prison at Vienna; and reappropriate \$280,000 for moving costs and repair of existing National Guard armories in Chicago.

**Motorist Fined \$225,
Three Charges Pending**

Howard Taylor, 46, St. Louis, captured in a parking lot in the 1800 block of Edison avenue July 28, was fined \$225 plus court costs at a hearing Monday before Venice Police Magistrate Wesley Edwards. Failing to pay the fine, he was transferred to the county jail Monday night. Taylor was assessed \$100 and costs on careless driving, \$75 and costs on property destruction, damaging a McKinley Bridge toll booth door, and \$30 and costs on refusing to pay the bridge toll. His arrest followed broadcast of a description of his car, as a result of failure to pay the toll.

Charged by Granite City police with driving the wrong way on Edison avenue, driving while under the influence of alcohol and failing to heed a police car's red light and siren, Taylor is to be returned here for a hearing Aug. 7. His bond is \$625.

Also taken to the county jail Monday night was Joseph Turner, 63, Edwardsville, who is to appear in Granite City Aug. 10 on charges of speeding 75 miles an hour, driving while under the influence of alcohol and improper display of state license plates. Bond is \$450.

Billfold Lost

A billfold containing \$101 cash was reported lost yesterday by Fred Stevens, 2223 Washington avenue. He told Granite City police it was lost between his home and the downtown area.

Prices good thru Sat. morn., Aug. 5, 1961

Farm Column

By TRUMAN W. MAY
Madison County Farm Adviser

Land listed under the feed grain program offers Madison county farmers an excellent opportunity to establish conservation practices without hurting crops. At the same time it may be possible to get some financial help through the Agricultural Conservation Program to do the job.

Here are some guides in planning for grass waterways: Before planting, make sure the soil has plenty of plant food. Probably the best starter is 8 to 10 tons of straw manure per acre. It will add fertility, and straw will help to hold the soil until the grass is established. A soil test is a good way to make sure you have adequate phosphorus and potassium. If you have no manure, 100 to 150 pounds of ammonium nitrate per acre will do the job.

Late summer or early fall is

usually the best time to seed in this area. Fall seedings are less likely to be washed out than those made in the spring. If you have some sod in draws and low spots, let it stay there. It's easier to thicken a thin grass stand with more seed and fertilizer than to start from scratch. Make sure the waterway is wide enough to carry the expected flow of water. Work the soil into a fine, compact seedbed. If you have a corrugated roller, use it to firm the seedbed.

Grasses do the best job of establishing a firm sod. Tall fescue takes off rapidly and should probably be first choice. It should be well fertilized. Kentucky bluegrass does a good job, but it is not so deep rooted. It will usually come in the stand without seeding. Red canary grass can be used in waterways that stay wet and marshy most of the year. Timothy and reed can be used, but they are shallow rooted and neither will develop the heavy sod we want.

Making a light seeding of a small-grain nurse crop may help to hold the soil. But the seeding rate should be two or three

times as high as under ordinary field conditions. But in 25 to 30 pounds of tall fescue or bromegrass and 15 to 20 pounds of reed canary grass or 6 to 8 pounds of timothy or reedtop.

If you have a failure, don't be discouraged. Try again. The draws and wet spots are not the easiest parts of your fields to farm. Even on the best fields, most farmers occasionally have to do some replanting.

Reducing erosion with good grass waterways will prevent the soil on your field for future use and mean more profits. The time is right to check your diverted acres to see whether you should establish some grass waterways this summer.

At a recent meeting of the directors of the Madison County Soil Conservation District, Anton Salvato, conservationist, reported a number of farmers are planning grass waterways and starting construction.

Here's another report on the performance of Monon wheat in this area. Pat Johnson, University of Illinois agronomist in

charge of the Brownstown Experiment Field, informs us that Monon had the highest yield of 18 varieties grown on the field this year. It made 54 bushel per acre. LaPorte ranked second, 48 bushel per acre. The soft varieties averaged 45.6 bushel while the 8 hard wheats in the test averaged 38.1 bushel per acre.

Pat also gave us the results of spring application of nitrogen on wheat compared to fall treatments on the experiment field at Newton in Jasper county. All the spring treatments gave higher wheat yields than the fall application. Plots were treated with 20, 40 and 60 pounds of actual nitrogen per acre. The heavier spring application made as much as 21 bushel more per acre.

Harvesting of sweet corn in the southwestern part of the county is about at its peak, with crops of high yield and excellent quality. The growers have a succession of plantings and the harvest will continue for several weeks.

Growers attending a meeting last week at the sweet corn var-

ity test plot grown by Wm. Brunns and Son in Namsokli township saw and sampled some promising new varieties. These are as yet identified only by number and seed will not likely be available for a couple years. This is just another example of the constant improvement being made in sweet corn and other crops.

In a field grown by Watson Rouch of Collinsville township to test Sevin, a new insecticide for the control of earworm in sweet corn, as compared with DDT, the Sevin gave good results and demonstrated some advantages over the DDT treatment. It is expected that the use of Sevin will increase.

Two special trophies for 4-H club members at the county 4-H show last week were won by Vernon Elitz of the Grant Prairie 4-H club for showing the champion dairy calf and by Glenn Gledhill of Troy 4-H club for having the best all-around 4-H exhibit.

People frequently ask what 4-H stands for. The four H's sig-

nify Head, Heart, Hands and Health. Highest producing herds in the Madison County Dairy Herd Improvement Association for the last month of testing were owned by Waldo Keilbach, C. C. Becker and Son, Norman Elshades can be made. From 30 to 50 square feet of shade is needed for each cow. You can get Braundmeyer, Walter Sievers, plans for shades at your farm adviser's office.

Farm outlook specialists expect more than usual price stability for hogs over the next 12 months. In general, the specialists believe prospective hog prices are good enough to give the producer some reward for his efforts — but not good enough to bring about overproduction.

Home gardeners should pick tomatoes when they start turning pink. The only exception to this rule occurs when daytime temperatures average about 80 degrees. Then pick when the tomatoes first begin to color.

Much of the customary mid-summer drop in milk production can be prevented by supplementing pastures with good-quality

Surplus Sale At Depot
Aug. 23, Value \$115,000
The Consolidated surplus sales office of the Granite City Engineer Depot will hold a sale of surplus government property purchased at a cost of \$115,000 on Aug. 23 at 10 a.m.

The goods are located at Scott Air Force Base and Fort Leonard Wood. They may be inspected from Aug. 7 until the date of the sale at the two bases.

Speeding Tickets
Granite City police arrested two persons on charges of speeding at Johnson road and Edgewood avenue at 5:45 p.m. yesterday. Erma C. Beide, 35, of 2424 Lynch avenue, posted \$11 cash bond, and Peter M. Galski, 54, of 2560 Waterman avenue posted his driver's license pending a hearing.

This is the 50th year in basketball for Coach Joe Lapchick of St. John's University of New York.

First sales tax in the history of Ohio went into effect in 1935.

MRS. MARY MORTENSON (left), who was honored last night at the Labor Temple upon completing a term of office as trustee of the Tri-City Trades and Labor Council. A council delegate for 30 years, Mrs. Mortenson retired from the office and was presented with a four-point fountain by Mrs. Helen Peterson (right), business representative for the Cooks & Waitresses Union.

Granite City PRESS-RECORD
Page 20 Thurs., Aug. 3, 1961

LEGAL NOTICES

ZONING NOTICE
NOTICE IS HEREBY GIVEN to all persons concerned, that pursuant to Article 25, Section 5 of Ordinance No. 1755 of the City of Granite City, Illinois, the City Planning Commission will hold a public hearing at the East Side Manufacturers Association, 1251 N. Niedringhaus Avenue, Granite City, Illinois on August 21, 1961 at 1:00 P. M. to consider a Petition for Re-Zoning the following described real estate to wit:

A tract of land located in the S. W. 1/4 of Section 5, Township 3 North, Range 9 West of the Third Principal Meridian, Madison County, Illinois, more fully described as follows:

Beginning at the Southwest corner of Lot 10 in "Westchester" subdivision as the same appears in Plat Book 27, Page 52 of the records of the Recorder of Madison County, Illinois; thence S. 1° 21' E. from said beginning point and along the East line of Meadow Lake Estates' subdivision (Plat Book 26, Page 40) for 55.50 feet; thence N. 88° 39' E. for 284.80 feet; thence N. 1° 21' E. for 56.00 feet to the Southwest corner of Lot 47 in "Dream Villa" subdivision (Plat Book 25, Page 63); thence along the South and West boundary of "Dream Villa" subdivision and the West boundary line of "Westchester No. 2" subdivision (Plat Book 27, Page 52) with the following courses and distances: S. 88° 39' W. for 24.80 feet; N. 1° 21' W. for 22.05 feet; N. 23° 31' W. for 53.58 feet; N. 88° 39' W. for 110.00 feet; N. 88° 39' W. for 45.00 feet; N. 1° 21' W. for 143.24 feet to the Southeast corner of Lot 11 in "Westchester" subdivision; thence Westery along the South line of said subdivision with the following courses and distances: thence S. 88° 39' W. for 120.00 feet; thence S. 37° 43' W. for 78.87 feet; thence S. 88° 39' W. for 115.00 feet to the point of beginning, to be known as Westchester No. 3, from E. G. Schmitt, Chairman, City Planning Commission, G. W. Hoelcher, Secretary, City Planning Commission, Harace L. Calvo, Attorney for Petitioner.

Strike Extends Delay On Clark Ave. Work

A strike by Laborers Local 397, which started Tuesday morning, is delaying the application of liquid asphalt and chips to a section of Clark avenue in Nantok's township planned for this morning. It was learned today from Township Road Commissioner Charles Hanks.

Residents along Clark avenue, living both in Nantok's township and in the city of Granite City, are complaining of the dust since the roadway was resurfaced about 10 days ago.

Commissioner Hanks said road could have been applied immediately but residents along the street told him they preferred asphalt chips. "They told me their youngsters would track road into their homes and cause damage," Hanks added.

Drivers Leave Scene Of Monday Accident

Two drivers apparently left the scene of an accident on Edwardsville road and Erieke Lane Monday night before state troopers could arrive and obtain a report.

Granite City police at the scene said they notified District 11 since the accident occurred on the east side of the highway, which is covered by state troopers, but that they took no names. State police had no report.

One auto reportedly struck the rear of one turning onto Erieke Lane. Police said one driver apparently had been drinking.

Mon Pleads Not Guilty To Disturbance, Assault

Louis Hays, 25, of 2915 (rear) Edwardsville road, pleaded not guilty yesterday to charges of creating a disturbance and assault before Police Magistrate Gasparovic.

He had been arrested on a complaint signed by Mrs. Phyllis Uttridge. He was released on a bond for a hearing next Wednesday.

— TRY A CLASSIFIED AD —

Trades Council Honors Mrs. Mortenson

Mrs. Mary Mortenson, a 30-year delegate to the Tri-City Trades and Labor Council and a retiring trustee of the organization was honored at the Labor Temple last night when she was presented with an outdoor water fountain for her yard.

The presentation was made after Mrs. Mortenson served as installing officer for the Trades Council officials elected at the July 19 meeting. It was made by Mrs. Helen Peterson, business representative for the Cooks & Waitresses Local 461.

Officers installed last night were Edwin Reiske, president; Everett Kelly, vice-president; Fred Piebanek, financial secretary; Ted Moore, treasurer; Albert Wilson, sentinel; Lennie Crookrell, guide, and Trustees Ernest Corbin, Robert McCormick and John Blinn.

It was announced to the 39 delegates present for last night's meeting that State Reps. Lloyd "Curly" Harris and Ralph T. Smith would attend the Aug. 16 meeting of the council to discuss the Horseshoe Lake state park proposal, new sales tax legislation and the Granite City storm water drainage and master sewer program.

Authorization was granted for Reiske to attend the state AFL-CIO convention to be held in Peoria during the week of Oct. 9.

Services from MERCER FUNERAL HOME, 1416 Niedringhaus avenue, to the North Central Pentecostal Church, 27th place at 2 p. m. Wednesday, Aug. 2, to St. John's Cemetery.

CHOAT, MRS. GERALDINE, entered into rest Thursday, July 27, in Munich, Germany.

Beloved wife of Martin Choat; dear mother of Randy and Pamela Choat; dear daughter of Mr. and Mrs. William Hooks; dear sister of Glen, Donald and Dennis Hooks; Mrs. Wilma McCoy, Mrs. Wanda Giller and Judy Hooks.

Her remains will be brought to the MERCER FUNERAL HOME, 1416 Niedringhaus avenue, Granite City, where funeral arrangements are incomplete.

DAVIS, JOHN M. Entered into rest Tuesday, Aug. 1, at Alton, Ill.

Dear uncle, dear great-uncle.

Services at MERCER FUNERAL HOME chapel, 1416 Niedringhaus avenue, Granite City, at 10 a. m. Friday, Aug. 4, to Interment Sunset Hill Cemetery.

DORRIS, GILBERT, 2046 Washington avenue, Granite City. Entered into rest at 7 p. m. Monday, July 31, at St. Elizabeth Hospital.

Beloved husband of Mrs. Nellie Dorris; dear brother of Mrs. Mabel Barnhart; dear nephew of John Unkle.

His remains will be in state at the MERCER FUNERAL HOME, 1416 Niedringhaus avenue, where services will be conducted Saturday, Aug. 5, at 10 a. m. Interment Sunset Hill Cemetery.

HOPKINS, NICHOLAS S., 2318 State street. Entered into rest at 11 a. m. Monday, July 31, at St. Luke's Hospital, St. Louis.

Beloved husband of Mrs. Ida Hopkins; dear brother of Mrs. Elizabeth Needs and Paul Hopkins; dear brother-in-law and cousin.

Services at 2:30 p. m. Thursday, Aug. 3, at MERCER FUNERAL HOME, 1416 Niedringhaus avenue, to Interment St. John's Cemetery.

LONG, MRS. MARY A., 1508 Manley avenue, Granite City. Entered into rest at 7 p. m. Monday, July 31, at Barnes Hospital, St. Louis.

Beloved wife of John T. Long; dear mother of Mrs. Sandra Hunt; dear daughter of Mrs. Ida Fowler; dear sister of Mrs. Lucille Donnelly, Mrs. Evaline Settler, Earl Fowler, Floyd Fowler and the late Mrs. June Oman; dear mother-in-law, grandmother, sister-in-law and aunt.

Her remains will be in state at SEDLACK FUNERAL HOME, 2901 Madison avenue, until noon Friday, Aug. 4, when they will be removed to St. Vincent's Memorial Methodist Church, 20th street and Delmar avenue, to lie in state until services at 2 p. m. Friday, Interment West View Cemetery, Edwardsville.

SEWER INSPECTION TV CAMERA (indicated by arrow) ready to be lowered into the 15-inch line under Terrace lane which has broken in three places. The city, through the use of the closed circuit TV system, is hopeful of pinpointing the location of breaks to prevent removal of 1500 feet of the sanitary sewer line. The TV inspection started yesterday and is expected to be completed tomorrow.

STIMAC, MRS. LOUISE, 3508 Grand avenue, Madison. Entered into rest at 2 p. m. Tuesday, Aug. 1.

Beloved wife of John "Doc" Stimac; dear mother of Mrs. Betty Puett and Mrs. Mary Lou Worthington; dear sister of Mrs. Christine Hulen, Mrs. Dorothy Thomas, Mrs. Dolores Molter, Mrs. Sue Nebold, Miss Jean Haydon, Bill Hayden and James Hayden; dear mother-in-law, grandmother, sister-in-law and aunt.

Remains will be taken from SEDLACK FUNERAL HOME, 615 Madison avenue, Madison, to St. Mary's Catholic Church, 17th street and Alton avenue, for 9 a. m. services Friday, Aug. 4, Interment Calvary Cemetery, Edwardsville.

GAS HEAT HEADQUARTERS, TRI-CITY HEATING, GL. 2-2116.

11 Still In Jail After Canal Party

Eleven persons are still being held at the Edwardsville county jail today after they were arrested last Friday morning on the Chain of Rocks canal levee and charged with disorderly conduct.

Originally 20 persons were arrested, mostly teenagers, after they tried to push two cars into the water during an all-night party.

Four were released to their parents because they were too young to be charged under Illinois law, and an AWOI soldier was turned over to military authorities.

The fifteen others were jailed because they were unable to pay fines ranging from \$100 to \$200 or make bond which was set at \$200 for three who pleaded not guilty.

Webb To Continue Detention Home Plans

William B. Webb Jr., Granite City assistant supervisor who is chairman of the county board's juvenile detention home committee, told the Press-Record today he is strongly in favor of proceeding with the construction even if a referendum is required to secure sufficient funds.

Webb, who is a patient at St. Elizabeth Hospital suffering from a virus infection, said he strongly opposes a proposal before the county board to use the \$125,000 reserve fund for the detention home for general purposes. The reserve was created with allocations of the county's half-cent sales tax.

The detention home as planned would cost about \$300,000, far in excess of the original estimates. "It need be," Webb said, "I'll propose the issue be submitted to the voters, and because of the great need for a juvenile detention home in the county, I'm sure it will gain sufficient support."

Work Continuing On Two Bridge Projects

McKinley Bridge western approach construction continued this week despite the laborers' strike in Illinois, since Missouri workmen are being used by the contractor for the project adjacent to Ninth street, St. Louis. Entrance and exit lanes are being altered.

Railroad crews and an asphalt firm are proceeding with repairs to the track area within the middle span of the bridge, damaged by a freight car derailment in July.

Mrs. Geraldine Choat Dies In Europe At 31

Mrs. Geraldine Choat, 31, died unexpectedly a week ago today in the U.S. Army's Second Field Hospital, Munich, Germany, after being stricken by an apparent heart attack. It was learned here this week she succumbed two hours after arriving at the hospital.

She was the wife of Martin Choat, who is with American armed forces in Germany, and had lived in Granite City most of her life before joining her husband in Europe two years ago. She leaves two young children, Randy and Pamela.

Survivors, in addition to her husband and children, include her parents, Mr. and Mrs. William Hooks of Sorento; three brothers, Glen of Panama, Ill., Donald of St. Louis and Dennis of Sorento; and three sisters, Mrs. Wilma McCoy of Granite City, Mrs. Wanda Giller, Kokomo, Ind., and Miss Judy Hooks, Sorento.

Her remains are being returned to Granite City, and funeral arrangements are incomplete. An obituary appears elsewhere in this issue.

Steve Bilko, first baseman with the Los Angeles Angels, broke in with Allentown, Pa., as an outfielder in 1945.

77 Auto Accidents In GC During July

Seventy-seven auto accidents of all types occurred in Granite City last month, 12 short of the 89 predicted in advance by police and one less than the June total.

"But we had almost twice as many arrests for moving traffic violations during July," said Patrolman William Condit in explaining the discrepancy—in past months the police prediction has usually hit much closer. "When arrests go up, accidents go down," he said. "We don't know why it's a sure thing."

Of the accidents, 31 were of the two-car type and 14 involved a moving and a parked auto. Parked cars were reported struck by hit and run drivers eight times.

Many Accident Types
Other types included auto-bike crashes, reported five times; auto-pedestrian, three times; auto-pole, auto-fence and

auto-curb, twice each; and auto-ambulance, auto-table, truck bike, auto-building, auto-tree, auto-truck, auto-truck and auto-pump, once each.

One accident resulted when a car parked in a lot rolled into another parked auto, when an auto backed out of a driveway into another machine and two parked vehicles were damaged by a third car.

Altogether 26 persons were injured, none fatally, a decrease of 12 over the June figure.

The greatest number of accidents, seven, were reported on July 31 and one day, July 19, saw no accidents in the city. Five accidents were reported on both July 3 and 22.

Breakdown By Dates

Four accidents occurred July 1, 10, 12 and 14; three on July 7, 8, 15, 16, 24 and 28; two on July 2, 6, 11, 13, 17, 18, 20 and 29; and one occurred on June

29 (reported in July), July 4, 5, 9, 21, 23, 25, 26, 27 and 29.

Most accidents occurred on Madison avenue, 14 including one on a parking lot; eight crashes were reported on Name road, including five on parking lots; and four each occurred on Washington avenue, 20th and 32nd streets.

Other accidents were reported on Edison avenue, State street, Cleveland blvd. and Pontoon road, three each; Hodges avenue, Iowa street, Niedringhaus avenue, Benton street, Delmar avenue, Missouri avenue, Johnson road and 19th street, two each.

Streets with only one accident were Edwardsville road, Edwards street, St. Clair avenue, 18th street, Maryville road, Leonard avenue, Adams street, Ash avenue, 14th street, Illinois avenue, Edgewood avenue, 21st street, Fehling road, Rivers drive and Jill avenue.

City Building Inspector Offers Construction Aids

Study of Granite City zoning restrictions by persons planning to build, repair, remodel or add to their homes or businesses in the city was urged today by City Building Inspector Earl Bloomquist.

"No matter how old the area in which the structure is located," he explained, "the zoning ordinance sets up requirements which prohibit certain types of building."

"The most frequent conflict is that a property owner wants to build a garage or carport nearer a side lot line than is permitted."

"I'm acquainted with the ordinance and can tell you if a building permit can be issued for a particular structure. The power to zone is derived from

the police powers provisions of the Federal constitution, and the city has the power to protect the health, safety, morals and welfare of the community through the use of a zoning code," Bloomquist explained.

"It is possible," he added, "in aggravated cases to obtain a variance or change in the ordinance as it pertains to particular property, but anyone planning an appeal should allow at least four months time."

Bloomquist, who makes inspections at construction sites in his office on the second floor at the city hall from 8 to 9 a.m. and 1 to 2 p.m. daily and on Saturdays by appointment.

Building permits are required for any construction costing \$50 or more.

Roca Dance Tonight At Big Top 300 Room

A dance will be held tonight at the Big Top Bowl 300 Room, sponsored by the Roca Gold chapter. Admission is 50 cents per person and a Collinsville will provide the music.

The Gold chapter also plans to play the Black chapter Sunday at Wilson Park in a softball game at 6:30 p.m. Twenty-two members are planning to attend the Municipal Opera on Tuesday night in St. Louis. Future plans are to take the orphans from Maryville to a Labor Day carnival at Wilson Park. The club has enrolled Wayne Hancock as a new pledge.

SCREENS & STORM INSECTS REPAIRED, GRANITE CITY GLASS, 10TH & EDISON.

Bond Burning Sunday At St. John Church

Bond burning will take place Sunday at St. John United Church of Christ, marking the retirement of debt on the church's \$192,000 educational building. The educational addition to the church was dedicated in the fall of 1955.

The bond ceremony will take place at both the 9 a.m. and 10:30 a.m. services Sunday. A decision has not yet been reached on construction bids for a new church parsonage, and the date for groundbreaking has not been set.

Dave Erb, who rode Needles to victory in the 1956 Kentucky Derby, now trains thoroughbreds.

WOMEN'S GROUP MAKES SUNBEAMS 75TH YEAR

At a general meeting held Tuesday evening, the Women's Missionary Society of the Emmanuel Baptist Church celebrated the seventy-fifth birthday of the Sunbeams. Mrs. Peggy Smith, vice-president, was in charge of the business meeting.

Mrs. Helen Ham directed the program, "Focus on Sunbeam Band," in which the Sunbeam counselors, Mrs. Stella Lewis, Mrs. Betty Clark and Mrs. Lenore Shilt, took part. Sunbeam children in the program were Cathy Brown, Debby Castleton, Brenda Mistletoe, Mary Alice and Jeanette McKinney. Madelon and Ronnie Stagner and Rita Mahurin.

Refreshments were served after the meeting and program by the director of Sunbeams, Mrs. Stella Mahurin, who used a large decorated birthday cake as the centerpiece of the serving table.

Others attending were Mrs. Eileen Badgett, Mrs. Edna Stagner, Mrs. Harriet Brown, Mrs. Betty Castleton, Mrs. Lillian McKinney, Mrs. Nelma Black and Mrs. Violet Mistletoe. Mrs. Wanda Atwood had charge of the Sunbeam nursery.

VACATION IN MISSOURI

Mr. and Mrs. Frank Halvachs and children, Frank Jr. and Rickie, 1641 Moro avenue, Mr. and Mrs. James Yates and children, Bobby, Cathy and Kevin, 165 Moro avenue, and Mr. and Mrs. Ray Shaw and son, Steve, 1617 Moro avenue, spent last week camping at Alley Springs State Park in Missouri, returning during the weekend. While there, the group spent the time fishing and swimming.

Arrest 2 After Purse Incident At Market

Disorderly conduct charges were filed against two St. Louisans after an incident at 2:20 p.m. yesterday at the Cut-Rate Market, 1803 Fifth street, East Madison, where one of them, Ronald Holland, 24, allegedly picked up the purse of Mrs. Ann Palagrove, wife of the store's owner.

Alerted by Mrs. Florence Czervinski, 909 Madison avenue, cashier at the market, area police searched for the car. A vehicle answering the description was halted by Granite City police, who found Holland and Georgetta Morrison, 26, also of St. Louis, inside the auto.

Identified by the cashier at the Madison police station, they were charged and released on cash bonds pending hearings at 5 p.m. Aug. 23 in Madison.

Mrs. Czervinski alleged that while the Morrison woman was purchasing small food items at a counter, Holland removed Mrs. Palagrove's purse from beneath an adjacent counter and held it behind the St. Louis woman's purse, which he had been holding. Both pocketbooks were of the same color, and Mrs. Palagrove's purse was slightly smaller.

When the cashier called out to him, he handed her the extra purse and the two brushed past her near the door and fled in the auto, she related. Nothing was taken.

25 YEARS AGO

Monday, Aug. 3, 1936

In order to equalize the number of families in the two Catholic churches in Granite City, Bishop James A. Griffin last week changed the boundaries in favor of Sacred Heart parish. The new boundary will be Twenty-Fourth street, instead of Twenty-Fifth.

The order will add about 55 families to the Sacred Heart parish, subtracting the same number from St. Joseph.

Gordon Miller, 13, of Granite City, finished a close second in the annual district Soap Box Derby held Saturday and Sunday in St. Louis.

Last year, the boy's older brother, Everett, won the district races and finished second in the national finals. He did not enter this year, choosing to help Gordon instead.

Miss Lucetta Blair, Granite City high school student, who has won national honors as a marimba soloist, will be featured on the Summer Garden Festival program this week at the high school.

Mr. and Mrs. E. C. Brown and family, 224 Granville street, Venice, accompanied by Jack Hannaford and Mr. and Mrs. M. D. Hannaford and family, have returned from a motor trip to Cheyenne, Wyo., Denver and Colorado Springs.

The following members of the Venice Baptist Bible class met Thursday evening in the home of Mr. and Mrs. John Young: Mr. and Mrs. Louis Bonner, Mr. and Mrs. Phillip Beyer, Guy Miller, Ernest Miller, Oscar Randall, Berner Hargraves and Mr. and Mrs. Lee Hargraves.

The Bible Learners class of the Venice Baptist church met at the home of Mrs. Lola Latham this weekend. Attending were Julia Barnett, Wanda Bayer, Mildred Jambell, Velma Rea, Ed Priest, Maxine Martin, Bertha Spangler, Betty Taylor, Shirley Wheeler and Mrs. James Walters.

Venice residents beginning their vacations this week include Mr. and Mrs. Thomas Bruder, Mr. and Mrs. John B. Miller, Mr. and Mrs. W. C. Ayres, Mrs. Ernest Massman and children, Mrs. Leslie Shank and Fred

Rumpf Jr., Miss Mildred Davis and Miss Minnie Niepert.

Sheridan, Ark., was the scene of a family reunion over the weekend when several residents and former residents of Granite City met there for a short vacation. Among those present were W. C. Jennings and daughter, Miss Billie Jennings; another daughter, Mrs. Laaska Egan and children, formerly of Granite City; and Mr. and Mrs. Thomas Ash, also former residents now living in Galveston, Tex.

W. C. Rainford, manager of the County Bros. Lumber Co., was a guest of American Airlines on its inaugural flight from Curtiss-Stenberg airport to Chicago last Saturday.

The Berean class and the Women's Council of the First Christian Church met jointly last Thursday evening in the recreation rooms of the church. The

business of the two groups was conducted with the presidents, Mrs. E. B. Nelson and Mrs. A. M. Jacob, in charge. The devotional service was led by Mrs. A. B. Gobbie. Hostesses were Mrs. Jacob, Mrs. C. Nash and Mrs. Grider Gwin. Present were Mesdames Howard Gavan, Jesse Tapp, A. B. Gobbie, John Costello, Otto Brewer, M. M. Hoggott and daughter, Thelma Grider Gwin, E. B. Nelson and daughter, Nina, Gregory Vasil, George Henry, H. McBride, George Butler, W. A. Butler, Bruce Teaney, E. D. Southwick, C. M. Bramley, C. Nash, A. M. Jacob, Miss Mary McBride, and the following guests, Mrs. H. Henkey, Mrs. Bert Berkens, Mrs. Marvin Bramley and daughter, Patsy, and Mrs. Iraj Butler.

Miss Virginia Lee Warrick, seven-year-old daughter of Mr. and Mrs. Stanley Warrick, is spending the month with her grandparents, Mr. and Mrs. H. H. Warrick at Silva, Mo.

Rev. E. A. McFarland, pastor of the First Christian Church, and Mrs. McFarland, have returned from Des Moines, where they have been vacationing for the past ten days with relatives of Mrs. McFarland.

Mrs. Harry Hornberger was hostess to her club on Thursday afternoon. Present were, Mrs. Emmet Pavia, Mrs. Thomas Smith, Mrs. A. J. Shannon, Mrs. William Ratter, Mrs. Joseph Bergrath, Mrs. Walter Amelung and Mrs. Glad Taylor.

Mrs. Mac Carpenter of 2215 Bryan avenue was hostess to the Blue J club Thursday afternoon. Games were played and prizes were won by Miss Katherine Hoffman, Mrs. Charles Nash, Mrs. Frank Henson, Miss Juanita Fritchett, Mrs. Mac Carpenter, Mrs. Mary Tondre, Mrs. Thieman, Mrs. Jones, Mrs. Bledsoe Presley, Mrs. Albert Nona, Mrs. William Warrick, Mrs. Albert, Mrs. William Reese Jr. and Mrs. Percy.

Mrs. Lucy Richie, who will leave soon for Chicago, was the honored guest at a farewell party given by the Rebekahs Thursday night at the home of Mr. and Mrs. Frank Varcoe, 2203 Lee avenue. Lawn games were played and prizes were won by Mrs. Richie, Mrs. Abbie Fox, Mrs. Elizabeth Evans, Mrs. Pearl Jones, Mrs. Anna Sternberg and Mrs. Myrtle Bandy. Present were Mrs. Martha McKeen, Mrs. Millie Mayfield, Mrs. Mabel Clark, Mrs. Dora Malory, Mrs. M. Hoskinson, Mrs. Glyn Hilliard, Mrs. Shirley Stanfill, Mrs. Emma Steiner, Mrs. Bessie Hickman, Mrs. Sylvia McCullough, Mrs. Clara Henley, Miss Ruth Squires, Mr. and Mrs. W. McMillan and Mr. and Mrs. William Anderson.

Granite City PRESS-RECORD
Thurs., Aug. 3, 1961 Page 23

Mrs. Edward Ruschik of Nantocki road entertained three tables at games Thursday afternoon at her home. Present were Mrs. William Haneimann, Mrs. Henry Theis, Mrs. Charles Jackson, Mrs. Albert Brandes, Mrs. Lawrence Stegelmeier, Mrs. Louis Voornman, Mrs. Eugene Murray, Mrs. John Brockman, Mrs. George Hackethal, Mrs. Edward Trachael and Mrs. Albert Michel.

Miss Leona Vee of Granite City is the house guest this week of her aunt, Mrs. Dan Boyle of Mitchell.

Wisconsin had the tallest and shortest men in the IRA collegiate regatta. Sophomore coxswain Larry Hurwitz is 4-feet-10 while senior Ernie Smith is 6-feet-7.

SOCIETY

RETURN FROM WESTERN TOUR

Mr. and Mrs. Bryan Waggoner, 1923 Cleveland blvd., accompanied by their grandson, Douglas Lindsay, have returned from a fortnight's vacation trip which took them to Colorado and the west coast. They were guests of relatives and friends in Ontario and Long Beach, Calif., and spent some time in Denver, Colo., returning by way of Kansas City where they visited a son, Kenneth Waggoner, and family.

Page 26 Thurs., Aug. 3, 1961

VACATION IN OZARKS

Mr. and Mrs. Charles Brooks, 2632 East 28th street, and Mr. and Mrs. Herman Caldwell of Madison, returned Monday evening from a holiday of several days in the Ozarks. They visited the Cherokee Village in Hardy, Ark., and spent some time in Branson, Mo., and at Bull Shoals and West Plains, Mo. At the latter place they were guests of Mr. and Mrs. Wiley Stapleton.

RETURN FROM EAST

Mr. and Mrs. Daniel Brown and children, Carol, Catherine, Joann and James, 1828 Spring avenue, returned home this week after a two-week vacation trip by auto, during which they visited relatives in Virginia, Michigan and Ohio.

ORCHID LOUNGE — PIZZAS

MRS. LARRY G. WEBB, a bride of Saturday, before her marriage at St. John United Church of Christ was Judith Patterson, a daughter of Mr. and Mrs. Emmett Patterson, 2669 East 23rd street.

JCettes To Aid With Pageant

A meeting of the newly-organized Jaycettes was held Monday evening at the Big Top Bowl with Mrs. Joyce Hogan presiding. Eleven members attended.

Mrs. Hannah Kleinschmidt, Miss Suzanne Lexow, Norman Brokaw and Earl Parsons, were present to discuss the Miss Granite City pageant to be held Aug. 12, and Mrs. Lois Hassler was appointed chairman of a committee to assist the Jaycettes.

Plans for an installation banquet and meeting also are underway and a tentative date for the event was set for Aug. 28, the time and place to be announced later.

Mrs. Ethel Jergenson was appointed co-chairman of the ways and means committee and the selling of Christmas cards was a fund-raising project discussed.

Refreshments were served after the meeting by the hostesses Mrs. Lois Mullen and Mrs. Jeanne Francis.

FREE TOUR LITERATURE AT HOLIDAY SERVICE.

ATTENDS INTERNATIONAL PBX CONVENTION

Mrs. Lucy Reader, president of the Granite City PBX Club, has just returned from Toronto, Can., where she was a delegate to the international convention of PBX clubs at the Royal York Hotel.

Approximately 350 delegates were present, and entertainment included a bus trip to Niagara Falls and a boat trip.

RETURNS FROM WEST

Miss Mildred Ward, 2212 State street, has returned from a month's vacation in Long Beach, Santa Monica and Los Angeles, Calif.

MRS. JAMES P. MCCARTHY, the former Ann Steward, who was married Saturday morning at Sacred Heart Catholic Church. The bride is a daughter of Mrs. Donald Seibold, 2638 East 25th street and John Steward, 5001 Rapp road.

Elkettes Hold Social Meeting

Twenty-two members of the Elkettes attended a scheduled meeting Tuesday evening at the Elk's Club with Mrs. Ailene Jones, Mrs. Martha Baker, Mrs. Mary Corrigan, Mrs. Kate Johnston and Mrs. Olive Kalert serving on the hospitality committee.

After the short business session games were enjoyed and awards were made to Mrs. Kathryn Edmonds, Mrs. Ailene Jones, Mrs. Kalert, Mrs. Corrigan and Mrs. Georgia Coe.

WCTU WILL HOLD FAMILY PICNIC

The annual family picnic of the Woman's Christian Temperance Union will be held Friday afternoon at Wilson Park. The group will gather with soft drinks, picnic baskets and ice cubes at Shelter Four, 25th and State streets, at 5:30 p.m.

A business meeting will be held in connection with the outing and Mrs. Gevevieve Willtrout, president, will be in charge.

Selling Your Home? CALL REINHARDT

Mitchell Church Circle Meets

The newly-organized night circle of the women's organization of the Mitchell Presbyterian Church met Tuesday evening in the church basement.

Mrs. Joann Cotter, chairman, was in charge and devotions were given by Mrs. Shirley Shane. Mrs. Norma LaRose presented the lesson and after the introduction of new members several appointments were announced. Key women will be Mrs. Mildred Stidham, fellowship; Mrs. Polly Tindall, program; and Mrs. Martha Ann Katzman, World Service. Mrs. Shirley Pasley was named secretary-treasurer.

After the closing prayer by Mrs. Dee McKinnon, refreshments were served to the following members: Mrs. Pasley, Mrs. Alice Province, Mrs. Katzman, Mrs. Florence Deatherage, Mrs. Stidham, Mrs. LaRose.

Mrs. Cotter and guests, including Mrs. Shane, president, of the Women's Organization, Jada Shane and Nancy McKinnon. The next meeting of the circle will be held Sept. 5.

Citywide MFT Plan Would End Council's 'Trading' System

(This is the 15th in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

"Planning that has taken into account the needs of the whole city should be the basis for the selection of projects and expenditure of motor fuel tax funds... eliminating the need for 'trading' amongst ward representatives...," the SIU government experts stress in their chapter on MFT programs and administration.

"It is obvious that planning and alert leadership are as essential in improving streets as they are in all other phases of city government. There is only one source of this leadership and that is the office of the mayor."

"If the mayor does not act, if the mayor does not inspire, if the mayor leaves it to whims and trading in the council, the results for Granite City will reflect this apathy at the top."

"Only an alert city guided by an alert executive will be able to meet successfully the challenges of our times."

Residents Must Support

"But the residents of the city must support and appreciate a role of this proportion for the mayor, and he must be provided with a sensible and workable administrative structure which to operate, this has been the burden of numerous suggestions throughout this report."

"A plan should be developed for a year by year construction program over the next six years. The program should be realistically based upon available financing. Projects in the county and state requiring city participation should be given priority since these represent an advantageous use of city funds."

"Projects where MFT funds will be used to pay the city's share of special assessment financed improvements should also be given priority. Other streets as determined by the Planning Commission and approved by the council should be included in the capital improvements plan."

"The plan should be used as a guide for future deliberations of the council and should be reviewed annually, noting accomplishments and adding work for another year ahead."

Much Street Work Needed

"There is so much street improvement work to be done in Granite City that only by careful planning can results be beneficial to the overall development of the city be accomplished. As pointed out earlier, appropriations have been made which exceed funds that will be available through the end of 1981. The appropriations do not include the city's share of two state highway improvements nor do they include an amount of some \$83,000 proposed for the improvement of a road within a new shopping center project."

"Since the state generally leaves the selection of improvements to be financed with MFT funds to the local authorities as long as all state statutes, procedures and standards are met, the city has the responsibility of using its limited MFT funds to the best advantage."

"The available funds will pay only a portion of the cost of the many streets which need improvement, the connecting and bypass highways and the grade separations. Planning for the gradual accomplishment of all needed street and highway work should look at two aspects of the problem: the construction of major improvements such as connector streets, bypass highways and grade separations; and the improvement of residential streets and thoroughfares within the city."

"The city spent \$20,000 on a comprehensive planning survey conducted by Harland Bartholomew & Associates, St. Louis planning consultant. This 1955 survey gave considerable attention to streets and highways."

"Bartholomew Plan Ignored" To date, this work has been largely ignored in street work accomplished since the report. The report should be restudied in the light of new developments and brought up to date.

"The mayor should take the leadership for this review through the use of the Planning Commission and the revised departmental structure this report recommends. The Planning Commission should have the technical assistance of the planning consultant and the city engineer and should bring in officials of the state and county."

"In 1958, a \$3,200,000 general obligation bond issue for street improvements with the principal

and interest requirements to be paid from MFT funds was defeated by a substantial majority. The city has the power under the Local Improvement Act of the state statutes to set up special assessment projects for streets and drainage improvements. The city also has the right to designate a portion of the project as public benefit and pay this portion from MFT allotments. The Illinois Highway Code provides that preference be given in the use of MFT funds to projects a part of the cost of which will be paid by special assessments."

"While Granite City had a similar experience as many communities with defaults in special assessments, most of the property has been cleared of liens. There is sufficient money in the Unclaimed Rebate Fund to pay off the bonds outstanding. Over \$20,000 is available for payment of \$2000 in bonds. Most bondholders settled for about 20%."

"The body which handles special assessment is the Board of Local Improvements provided for in state statutes and the Granite City municipal code. Granite City has set up a board in the Illinois manner as specified in the ordinance. Nor does the city use the board in the manner intended. Instead of developing special assessment projects, the board has been serving as the planning committee of the city council. As such, it has been passing the Planning Commission."

"It is recommended that the

council discontinue the use of the Board of Local Improvements for any but special assessment projects. It should also revise the membership of the board to conform to city ordinance and state statute.

"Any projects set up by the Board of Local Improvements should be the result of detailed planning and review by the Planning Commission, the council's Planning committee and the mayor. The use of MFT funds in special assessment projects should make them more attractive to Granite City residents. The city can also set up informal assessments in which the property owners agree to pay their share of the cost of the improvement."

Local Students To Graduate At ISNU

Ronald Ison of 9 Miami court, Loretta Reeves of 2161 Benton street and Barbara Stawar of 1648 Fourth street are among 286 students completing requirements for graduation from Illinois State Normal University at Normal by Aug. 11. The number of graduates this year, when will total about 770. The 514 persons receiving degrees in June along with those graduating in August represent an all-time high, since ISNU was established in 1875. The commencement program Aug. 11 will be held in the outdoor Amphitheatre at 3 p.m. with the procession scheduled for 2:45 p.m.

Mrs. Fischer Recovering

Mrs. Harold R. Fischer, 2725 Madison avenue, is recovering at St. Elizabeth Hospital from surgery which she underwent Monday.

Schedules For Madison High Pupils Aug. 14-18

Class schedules for Madison high school students for the term beginning Monday, Aug. 28, will be made available to the students at the high school office during the week of Monday, Aug. 14, it was announced today. Freshmen may obtain their schedules Aug. 14 or 15, sophomores on Wednesday, Aug. 16, juniors on Thursday, Aug. 17, and seniors on Friday, Aug. 18. Office hours for the distribution of schedules will be 9 a.m. to noon and 1 p.m. to 3 p.m. Students selected courses and registered last spring for the coming school term. The completed schedules will show them where to report during each class period when school resumes.

Home Ransacked While Owner Is On Vacation

Granite City detectives have been questioning four boys, five to eight years old, regarding vandalism in a home at 2017 Lee avenue while owner Robert Scarborough was on a three-day vacation.

He told police that between last Thursday and Monday his home was entered, the phone wire cut, lamps broken and drawers emptied on the floor. However, nothing appeared to be missing, he said.

Circuit Court Rules In Favor Of Johnson

Rulings in favor of defendant Harry E. Johnson, St. Louis, were handed down Monday in the circuit court at Edwardsville by Judge Harold R. Clark, who reversed the finding of the magistrate's office here based on three complaints filed by the city.

The city did not contest the hearings. Johnson appealed the magistrate court rulings handed down in 1958, based on complaints filed by the city charging him with operating a junkyard at 2250 Iowa street. Johnson stated in his appeal that his constitutional rights had been violated under the 14th amendment on citizenship rights.

Miss GC Contest Entries Hope To Score Their First Beauty Knockout Here Soon

In just nine more days a Granite City girl will have scored her first "beauty kavyo" in the annual battle for a state champion of looks plus talent—otherwise known as the Miss Illinois contest.

Chairman Norman Brokaw points out that when the eight candidates completed the official entry blanks for the Miss Granite City pageant they ascended the first rung of the four-rung ladder to stardom. One will climb a step higher Aug. 12 when the annual competition, sponsored by the Junior Chamber of Commerce, reaches a climax at 7:30 p. m. ceremonies at the high school auditorium.

Miss Illinois Entry
The winner will have a shot next summer at the thing called Miss Illinois of 1962—when girls from all parts of the state assemble in the ruffled silk at Elk Grove. And if Miss GC also becomes Miss Illinois, her next stop is Atlantic City, where the established site of the Miss America pageant.

Locally this year, a dance will be held at the Big Top Bowl "300" Room after the coronation to give the public a chance to get better acquainted with its beauty representative. Through-out the year she will be more active at many civic functions than in past years.

Tickets for the pageant and ball cost \$2.50 a couple and \$1.50 for a single admission. They may be purchased there at Granite City Jaycee or Jayette.

Today's featured contestants bring to six the number of entries featured in the Press-Record. The remaining two girls will be spotlighted in Monday's issue.

Future NU Freshman
Vivacious Mary Helen Walters, 17, of 2722 Iowa street, will be a freshman at Northern Illinois University this fall. Her major field will be either psychology or beauty reports.

Sponsored in the Miss Granite City contest by Madison County Federal Savings & Loan Association, Mary will perform tap dance numbers for the talent phase of the pageant. She stands 5-5 and weighs in at 120 ounces or 120 pounds.

She is the daughter of Mr. and Mrs. Robert L. Walters and graduated from Granite City high school last June. Sports of all types but especially swimming, ice skating and dancing appeal to Mary.

Funeral Yesterday At Church For John Beaver

Funeral services were conducted yesterday at 2 p. m. at the North Granite Pentecostal Church on 27th place for John W. Beaver, 60, of 703 North 28th street, who died Monday at his home from a shotgun wound of the head. Burial was in St. John's Cemetery.

Mr. Beaver was born in Wate, Mo., but had lived in Granite City for the past 32 years. Before that he made his home in Exeter, Mo. Until four months ago he worked at the Kalmon Shoe Co. in St. Louis.

He was a member of the North Granite Pentecostal Church, where he served two years as pastor, and also of United Pentecostal.

Survivors include his wife, Doris; two daughters, Mrs. Gerald (Mary) Hunt and Mrs. Elidon (Kathleen) Wofford; and two sons, Charles and Harry, all of Granite City; a brother, Frank, St. Louis; two sisters, Mrs. Annie Ziegler, St. Clair, Mo., and Mrs. Lillian Hull, Davenport, Ia.; and seven grandchildren.

An inquest into the death has been planned by Deputy Coroner Henry Pieper for later this week.

An obituary notice appears elsewhere in this issue.

2 Arrests In Crash Of Mail Truck, 2 Autos

Two drivers were arrested at 11 p. m. Monday after a collision involving a mail truck and two autos in the 1100 block of State street, Madison. Charged with reckless driving, Magnus Lesner, 33, of 1847 Rhodes street, Madison, and Dewitt T. McGriff, 33, Ave. 111, each was released on his operator's license pending hearings Aug. 25.

Police said McGriff was driving a Gulf Transport Co., St. Louis, mail truck south on State when he started to pass a south-bound auto that was moving slowly. Lesner simultaneously started to pass the truck, and his car collided with the left front and side of the parked vehicle.

Charles Dean and Dale Sawyer, both of Springfield, Ill., who were sorting mail in the back of the truck, escaped injury, as did the drivers.

Woman Pays \$100 Fine
Doris J. Warford, 32, of 1806 State street, was released by Police Magistrate Gasparovic Monday afternoon after she paid a fine of \$100 and costs assessed after she pleaded guilty to a petty larceny charge last April. She had been arrested Monday morning.

MARY WALTERS DIANNE HANELINE

BEAUTY PLUS TALENT will be the basis of selecting a new Miss Granite City at the annual pageant Aug. 12 at the high school auditorium. The winner will be this city's representative at the Miss Illinois contest next summer at Elk Grove. During the year she will be featured at civic functions much more than in the past.

Former Cheerleader
Her high school activities included cheerleading and membership in the Girls Athletic Association and Pep Club. She will have to be courteous, polite and handsome, she says.

Sponsored by Western Firebrick Co., Dianne last year was a finalist in the Miss Missouri contest. During high school days she was a member of Girls Athletic Association, Pep Club and Tri-Hi-Y.

The other candidates are: Linda Toluen, 11 Frontenac lane, Marilyn Wondra, 2864 East 27th street; Jerri Straka, 2434 Delmar avenue; Gloria Zlatie, 2606 Benton street; Joyce Ann Vizer, 834 Nidringhaus avenue; and Harry Jo Wood, of 2406 Edison avenue.

Information about any aspect of the pageant may be obtained from Chairman Norman Brokaw.

Launch Annual Scout Recruiting Next Month

The annual Scout Council will begin in September, Council Executive Eugene Coe has announced.

In connection with the "fall roundup," each scout recruiting a new member will receive a recruiter label for display on his scout uniform. All units showing a 10% membership increase between Sept. 1 and Dec. 31 will be presented with honor unit recognition banners at a gathering during Boy Scout Week early next year.

Registration will be sought for new members and for scouts who have dropped active participation in the program.

Coe has pointed out that many cub scouts who attended Webster Day at Camp Sunnen last month turned in cards indicating their interest in joining a scout troop when they graduate from cub scouting this year. Scoutmasters have been asked to follow up on the requests.

Ronald Clare Gives 66th Pint Of Blood

Ronald Clare, 2137 State street, who has been donating blood since 1958, contributed his 66th pint of blood at St. Elizabeth Hospital Tuesday morning. Clare donated the latest pint for a patient who underwent major surgery about two weeks ago.

Carpenter Issues Charter For Ernie's Tavern

Secretary of State Charles F. Carpenter has issued a corporation charter to Ernie's Tavern, Inc., Namekoi road with 5000 shares of no par value common stock. Ernest French, Earl Paul French and Mary French will operate and manage a restaurant and tavern business.

Big Top Wins Undisputed 35-Plus Title

Despite Trust Bank's annihilation of VFW Post 1300, 27-2, league-leading Big Top Bowl, aided by a forfeit, held onto its three-game lead over the bankers in Monday night's 35-Plus Slow Pitch softball games at Wilson Park and took an undisputed league title.

Trust Bank scored in every inning and capped the night's work with a 13-run sixth frame. John Allen got the only home run as he and his teammates pounded out 32 hits off VFW Pitcher Dick Reader.

Steve Hordewy went all the way for the winners, allowing 11 hits but only two runs. Willie Shepard and Gene Vorse shared Trust Bank catching duties. Scotty Barney caught for the losers.

Big Top won the undisputed league title by defeating Club Delmar failed to field nine men by game time. The keepers are three games ahead of the bankers with only two games remaining for each on the schedule.

The 35-plus standings:

| Team | W | L | GB |
|---------------|---|---|----|
| Big Top Bowl | 9 | 1 | |
| Trust Bank | 6 | 4 | 3 |
| VFW Post 1300 | 4 | 6 | 5 |
| Club Delmar | 1 | 9 | 8 |

SCREENS & STORM INSURANCE
REPAIRED, GRANITE CITY GLASS, 18TH & EDISON.

Mercer, Glassmen Battle For 1st Here; Hearts Play 2 At Maryville

It's the third and rubber game Sunday between Mercer and McAteer Glass. The single game, starting at 2:30 p. m., pits Mercer, Blue Division leader in the Inter-City League, against second-place — by a mere half game — McAteer Glass.

Presently holding that slim half-game lead, Mercer will host the Glassmen at Wilson Park in their third meeting of the season. On May 14, it was the Glassmen who took advantage of the home field and walked off with a 9-7 decision over Ollie Miller's crew.

Less than a month later, only this time at Wilson Park, Mercer edged McAteer 12-11. So if the home field makes the difference, Mercer should expand its lead over the Glassmen to one and a half games. If the latter is playing at home has worn off, then the visitors could go home with a half-game lead.

Miller is expected to send his ace hurler, Jack Bunte, on the mound to oppose the on rushing Glassmen. Mercer's record stands at 11-4, while McAteer sports a 10-5.

Granite City's other entry in the Inter-City 100 p. Sacred Heart, will travel to Maryville for a doubleheader. The Hearts will be aiming to get two games "hot" over the 500 mark, as a sweep would leave them with a 9-7 record after last Sunday's heart-breaking loss to McAteer, 11-10.

The Hearts are five and a half games behind the Red Division leaders, Moose Lodge No. 4, and three and a half games behind second-place Collinsville, but at the same time they hold a comfortable two-and-a-half game lead over the third place.

This will be the first meeting between Maryville and Sacred Heart in their season. An earlier game on May 7 was rained out and thus forced Sunday's twin-bill to make it up. Maryville has won only three of 13 and rests in the cellar of the Red Division.

In other games Sunday, Collinsville is at Troy for two games. Pocahontas is at Carpenter for a single game and the Moose will host White City for one game.

RED DIVISION

| Team | W | L | GB |
|--------------|----|----|-------|
| Moose Lodge | 13 | 2 | |
| Collinsville | 11 | 4 | 2 |
| SACRED HEART | 7 | 7 | 5 1/2 |

Annual Boy Scout Swimming Meet At Depot Aug. 19

The Granite City Engineer Depot again this year will be the scene of the annual swimming meet of the Cahokia Mound Council, Boy Scouts of America. It was scheduled to be held at the Depot outdoor pool Saturday, Aug. 19, starting at 9 a. m.

Scouts from the Quad-Cities and other sections of the council will compete in non-swimmer, beginner and summer categories for individual ribbons, troop ratings and a unit trophy. Beginning swimmers will enter a "horse and rider" contest, 50-foot crawl race and a surface dive for objects, while experienced swimmers will vie in a "water spaniel" race, 100-yard crawl and distance medley. Both beginners and swimmers also may enter diving competition.

Non-swimmers will participate in a balloon race, breath-holding contest and a race involving a face-down float with leg kick.

Entry blanks must be completed and returned to the council office in Granite City by Tuesday, Aug. 15.

David Sparks Cops Two Diving Titles

David Sparks, 16, of 1823 Maple street won the one-meter board diving championship for senior boys Monday night at East Alton in a dual meet between Collinsville and East Alton. Sparks was competing for Collinsville.

He also won the senior division three-meter diving crown at the ninth annual Southern Illinois Age Group swimming and diving championships last week at Marion, Ill. At Marion, Sparks was competing for the Collinsville Town & Country Swimming Pool. The Marion meet, which was won by Carbon Dale, was sponsored by Southern Illinois University.

Many Hard of Hearing Can Hear Tomorrow

With you. During those times when you have a ringing, buzzing, roaring noise in your head, or you are deafened, bothered by the noise, hearing loss may be due to a condition called Meniere's disease. This is a condition that can be treated. You can hear better after making this simple test or you get your hearing checked.

SLIGHTLY SPENT STAFF of the Granite City park district's summer recreation program concluded its final supervisory activities today, which marked the closing of seven recreation areas after an eight-week program. Seated (left to right) are playground directors and assistants Linda Farrow, Sue Walters, Rebecca Glare, Pat Dineff, Elaine Dineff, Fran Lise, Karen Bickel, Sandra Skubik, Nancy Sewell and Sheila Graham. Second row (left to right) includes Sue Champion, Betty McCauley, Norma Schroeder, Lee Reid, Summer Program Director Mrs. Helen Bjorkman, Park District Recreation Director Harold Brown, Milburn Smith, Don Kopp and Arthur Menendez. Absent was Pat Barnes.

Joan Turpiano Puts Fire Out; Kelly's Tops Belleville 13-8

P. E. "Pop" Meyer's Kelly Girls outgassed Belleville Monday night in a Girls' Twilight League softball game at Belleville.

Kelly's scored once in its half of the first, but the hosts tallied four times to grab the lead. Aided by Belleville's Pat Brucci's inability to get the ball across the plate, the Venice team countered with four runs in the second and was in a commanding position for the rest of the game.

Belleville threatened to pull the game out of the fire in the bottom of the seventh when it scored three runs off winning Pitcher Sandy Klaas. "Pop" Meyer called in Joan Turpiano to take over with three tallies in and nobody out. She proceeded to work out of the jam without allowing another run.

Meyer's team pounded out 10 hits and Belleville five. Kelly's issued nine bases on balls to the losers.

Carnival rides and chicken prepared by the sponsoring firemen will be attractions at the 13th annual Long Lake Volunteer Firemen's picnic this weekend at the fire station grounds, 4113 Pontoon road, at Pontoon Beach.

The picnic will begin about 4 p.m. and last until midnight or past on Friday and Saturday, and will begin at noon and last until the crowd becomes sparse Sunday night, according to Chairman Jack Harper.

The 22 volunteer firemen who have been planning the picnic since March will dispense barbecued chicken, ribs, hamburgers and other types of food. Rides will include a ferris wheel and other standard carnival attractions.

Proceeds will go in part to the fire department and to a local Boy Scout troop, the same as last year when the firemen sent several scouts to a national jamboree at Colorado Springs, Colo.

A hearing has been set for Aug. 21 for Eugene Tolen, 32, of 1719 Spruce street, who was arrested in the 1700 block of Delmar avenue on Sunday evening on charges of creating a disturbance, using profane language and resisting arrest. He was released Monday on \$46 cash bail.

CALL DOUGLAS, TR. 6-2988

A fine of \$25 and costs was imposed Monday on Henry Hanke, 23, of Collinsville, who was taken into custody early Monday at Granite City police headquarters on a charge of disorderly conduct. Arrested with him was Charles Renfro, 16, also of Collinsville who was charged with violation of the curfew law. He was fined \$10 and costs by Police Magistrate Gasparovic.

GO TO CHURCH SUNDAY.

From Glen Carbon

Granite City Kiwanis Monday night held an interclub meeting with Glen Carbon, discussed the boat race they sponsored Sunday and made plans for a "Kids' day" project in September.

With President Harold Kandeiff in charge, the group acted as host to three Glen Carbon members, Mayor Harold Helffer, a former Kiwanis district lieutenant governor, Thomas Shashek and Nick Hamilos Jr.

The group plans to use proceeds from the boat races for civic work, and will earmark it as soon as all receipts are in.

The third week in September was tentatively set for the annual kids' day peanut sale. Money from the sale will be used to take local youngsters to a place of interest in the area.

Nineteen members and the three guests attended the meeting, held at the Elks' Club.

To accommodate Boy Scouts who completed merit badges

who completed merit badges necessary for Eagle rank during this summer's scout camping season, an Eagle board of review has been scheduled for 7:30 p.m. Wednesday, Sept. 6, at the Cahokia Mound Council office in Granite City.

Blankets to apply for the high rank are available at the office, 1338a Niedringhaus avenue, and they should be completed and returned there prior to the review.

Friends here have received word of painful injuries sustain-

word of painful injuries sustained by Mrs. O. B. Stallings of Santa Ana, Calif., formerly librarian at the public library here for many years, in a fall. Her left ankle and instep were broken and the right leg was also injured.

She is a patient at St. Joseph Hospital in Orange, Calif., where she will be confined for some time.

18 LOU JUAN DRIVE: Three bedroom custom built in an area of expensive homes. This lovely home has "Ranch Plank" floors in the living room, cheerful paneled dinette and loads of extras. Finished recreation room in basement with access to patio. 175'x300' lot, bath and 1/2 and two-car carport.

208 BEVERLY LANE: Only twelve minutes from downtown St. Louis in a fine residential area in this 3 bedroom frame split-level. Top quality wall to wall carpeting. All spacious bedrooms. The finest in "Anderson" windows. Large corner lot and parking for outdoors. Off of Highway 40 corner after you go under overpass for Interstate 70.

2565 WATERMAN: Three bedroom brick veneer with attached plastered garage, full basement, built-in range and oven, garbage disposal, carpeting in living and dining room and covered 8'x15' patio. The yard is all in. This is better than a new one, the work is all done.

2916 FAITH AVENUE: Two bedroom frame with attached 12'x30' carport and 12'x30' garage. Full basement, garbage disposal, attic fan, combination aluminum storm sash and convenient to school. Call today for an appointment.

2905 EDWARDS: Two bedroom frame with basement in (two) and two bedrooms with full basement in rear. Built-in frame two-car garage. You can buy both houses for less than \$6000 each.

OLD ALTON ROAD: Just before you get to the canal. Almost new brick veneer and aluminum siding split level with a large lot and radiant heat. You can forget about high taxes and utility bills with this one. Better than 1800 sq. ft. of living area.

LOCK THE DOOR against high rent and mounting building costs now with the key to your own home in "DREAM VILLAGE." These fine two, three and four bedroom homes, built by HENRY ROSS, start at \$15,950. You had better hurry!

521 ENGLISH PLACE in Mitchell: New three bedroom "pink" brick veneer with "Georgia" marble trim and attached two-car garage. Built-ins, birch cabinets and large lot, 100'x300' is priced to sell for \$13,500. Low taxes, too.

3245 FRANKLIN AVENUE: One of the finest homes in Granite City at a new low price. 7-room stone and brick veneer with bath and 1/2, carpeting, paneled bedroom, attached garage and many other extras.

3092 WAYNE AVENUE: This fine three bedroom home with carpeting throughout, plaster walls, metal awnings, garbage disposal, fenced rear yard and garage is priced to sell under \$13,000.

3227 RODGERS: Two bedroom frame with a carport on an attractive lot in a convenient location is a good buy for less than \$12,000.

2882 DOGWOOD: Three bedroom frame in perfect condition with attic fan, tile in kitchen and bath, combination aluminum storm sash, full basement and convenient to schools is a good buy in three bedroom home.

1015 MADISON AVENUE would be a place to live and you would have a place to rent upstairs. Priced under \$10,000 and only 15 minutes from downtown St. Louis.

Blood Donors Wanted Tomorrow At Depot

Col. Jack C. Jeffrey, commanding officer of the Granite City Engineer Depot, announced today that all Quad-Cityans interested in donating blood to the Red Cross, may do so Friday between 9 a.m. and 3 p.m. at the depot.

The arrangements have been made in answer to the St. Louis Red Cross Regional Blood Center's plea for donors to replenish its exhausted supply. Persons interested may go to the depot, where guards will give immediate admittance and directions to the blood center, Col. Jeffrey said.

All donors will receive a card which will entitle them and their immediate families to blood coverage for the next 12 months.

Wisdom is common sense, but not near common enough.

MISS MARY GAVIN, 3148 Colgate place, who was chosen to attend a national Girl Scout encampment beginning next Tuesday.

Mary Gavin To Attend National Scout Meet

Miss Mary Elizabeth Gavin, 18, daughter of Mrs. Evelyn Gavin, 3148 Colgate place, was selected as one of 120 Girl Scouts and Girl Guides from all sections of the country to attend a national Girl Scout wilderness encampment in Bend, Ore., Aug. 8-23.

Miss Gavin, a June 1961 graduate of Granite City high school, has been in scouting 11 years and is a member of Senior Girl Scout Troop 44.

Also attending the camp will be scouts from Canada and Mexico. The girls will use only basic equipment, relying on natural resources. They will bring their own supplies and prepare all meals in the outdoors, regardless of weather.

Driver Describes Crash But Forgets One Detail

Granite City police are investigating a two-car crash at 21st street and Iowa avenue which occurred Monday at a time not yet determined.

Police said one of the drivers involved spent an hour at the station filling out an accident report but neglected to give any information to indicate his own identity. When police spotted the error, he had gone.

Undergoes Surgery

Wayne Tarris, 4660 Nemoval road, underwent neck surgery at Wolf Memorial Hospital in St. Louis Tuesday.
